## **ABOUT SPM COLLEGE**

SPM College is a well-known women's college of University of Delhi. It was established in 1969 in the memory of distinguished academician and statesman Dr. Shyama Prasad Mukherji. Today, Shyama Prasad Mukherji College has 112+ well-furnished classrooms, 7 seminar halls, a fully air-conditioned state of the art Auditorium with a nice ambiance, well equipped & fully computerized Library, well equipped Gym, laboratories such as Computer labs, Psychology lab, Food & Technology lab etc. The Campus is equipped with Internet Wi-fi Facility. All the labs, 6 seminar halls and 32 classrooms are equipped with projectors. Today, our college has evolved into one of the most progressive and dynamic institutions of the University of Delhi. College is located in Punjabi Bagh (West), New Delhi. It is well connected by the Shivaji Park Metro Station.

The Certificate Course in Counselling and Psychotherapy is started under the department of Applied Psychology of the college with the collaboration of Utsaah Psychological Services Private Limited.

## **ABOUT UTSAAH PSYCHOLOGICAL SERVICES PVT. LTD.**

Utsaah Psychological Services Private Limited was established with the aim of spreading the awareness/ knowledge of Psychology and Mental Health in India. Currently Utsaah Psychological Service offers their services in the field of Health, Education and Research. Utsaah is also running the Psychologs, India's First Psychology Magazine. The magazine offers a wide range of knowledge about diverse topics from the field of psychology.

## **COURSE OVERVIEW**

This course is designed to provide the learner with advanced exploration and analysis of counselling technique as well Psychotherapy. The learner will get opportunity to learn the concepts of traditional and contemporary counselling practice and various psychotherapies under the supervision of Registered Clinical Psychologist, Psychotherapist and Clinician.

The course modules follow a natural progression from personal development to theoretical approaches and skills practice, while also giving students an insight into counselling and psychotherapy as a profession.

The course allows learner to gain extensive knowledge and practical application of counselling skills and psychotherapy skills that students can apply at various places like clinic, hospital, school, industry etc. The learner will also get to learn the psychotherapeutic approach for different Psychological disorders. This certificate program can also be useful to a professional counsellor who needs a touch-up in new systems and practices in the field. The focus of the course is on developing the counselling and psychotherapy skills of personal presence and awareness of process. Attention is also paid to interpersonal and group skills.

## **LEARNING OUTCOMES**

- Learn different counselling and psychotherapeutic skills that are useful for various psychopathological conditions under the supervision of Psychotherapist and Clinician.
- Practical based tools and techniques to use with clients, in your personal life, career or relationships.
- How the mind processes day-to-day experiences and transforms your interpretation of them into emotions, fears, passions, actions and ultimately, outcomes.
- Establish healthy professional boundaries with your clients and create an environment that helps them to tackle faulty thinking styles.
- How to facilitate the positive transformation of how people think, feel and behave when pursuing their goals or objectives in life.
- How to become more self-aware of (and improve) the way you communicate, alongside the psychology behind these communication styles, relaxation and mindfulness.
- Conceptualization and knowing intervention-based techniques.

## **NATURE OF PROSPECTIVE TARGET GROUP OF LEARNERS**
