	46.5	Proforma letter to be submitted by candidates applying for Ph.D. through various Supported by research projects (at NIMHANS)	92

Message from the Director

It gives me great pleasure to share the NIMHANS PG prospectus for the academic year 2026-27, July Session.

NIMHANS is a unique centre which combines the highest standards of clinical care, training and research and the Institute attracts trainees from different regions. Training from NIMHANS is something many aspire for and they continue to cherish the basic foundations they have received here throughout their lives, wherever they may be working. NIMHANS provides a robust academic platform and clinical exposure which fosters an ambient environment of learning. The Institute has 28 departments with dedicated faculty and skilled professionals in basic, behavioural and neurosciences. Currently, there are 1415 students enrolled in different courses which includes 385 Ph.D. scholars. Apart from providing quality care for the patients, human resource development in the areas of mental health and neurosciences has been a major focus of the Institute. NIMHANS has been rated among the top medical institutes in the country in NIRF rankings.

NIMHANS is a leading postgraduate centre of excellence, offering 113 specialised courses. At the Institute, research occurs in a seamless manner, from the bench to the bedside and from the bedside to the community. During the year 2024-25, several external research projects were undertaken and about 969 scientific/research articles published in reputed international and national journals by the faculty, students and project staff of the Institute.

The training provided at NIMHANS is exemplary. NIMHANS has a well-established track record of excellence in the education and training of skilled professionals bound for vibrant careers in mental health and neurosciences. Students who graduate from NIMHANS can carry their degree to any part of the world with confidence and pride.

The prospectus contains comprehensive information about NIMHANS and the academic programs offered at the Institute. Please read the prospectus carefully before applying for the courses of your interest. Do visit the NIMHANS website and contact us if you need further clarifications.

I wish you all the best and look forward to welcoming you to an enriching academic journey at NIMHANS.

Dr. Pratima Murthy
Director

Brief History of NIMHANS

The Government of India established the All India Institute of Mental Health in 1954 in association with the then existing Mental Hospital of the Government of Karnataka. Major objective of the Institute was to generate human resource in the field of mental health and neurosciences. The Government of India chose the Mental Hospital, Bangalore, as the centre for training, which had built up certain traditions since 1936 in matters related to undergraduate training in the field of Psychiatry. The Institute was then affiliated to the University of Mysore for all courses. Subsequently, the Institute became affiliated to the Bangalore University in 1964. The Bangalore University established a separate faculty of Mental Health and Neurosciences.

The All India Institute of Mental Health and the Mental Hospital of the Government of Karnataka were amalgamated into an autonomous institute and thus the National Institute of Mental Health and Neuro Sciences (NIMHANS) came into existence in 1974.

NIMHANS was conferred 'Deemed to be University' status by UGC in 1994 and NIMHANS became an autonomous and independent university.

NIMHANS was declared as an Institute of National Importance by an Act of Parliament vide Government of India Gazette Notification dated 14.9.2012. Notwithstanding anything contained in the Indian Medical Council Act, 1956, the Rehabilitation Council of India Act, 1992, the Indian Nursing Council Act, 1947, and the University Grants Commission Act, 1956, the medical degrees, diplomas, nursing degrees and certificates granted by the Institute under this Act shall be recognized medical qualifications for the purposes of the Acts aforesaid and shall be deemed to be included in the Schedule to the respective Acts.

Spread across 135 verdant acres in the heart of the garden city, NIMHANS offers the latest medical advances in an environment that promotes mental health and enhances a sense of wellness. The state-of-the-art facilities bolstered by highly skilled professionals -who are dedicated to providing patients with compassionate and comprehensive care makes NIMHANS a centre of excellence and specialized expertise.

The unique feature of this Institute is its multidisciplinary approach to patient care, training as well as research in the areas of mental health and neurosciences. The human resource development programs at NIMHANS reflect the extent to which the institute has succeeded in fusing and nurturing behavioral, neuro, biological and ancient health sciences/systems under one roof.

Vision of NIMHANS

To be a world leader in the area of Mental Health and Neurosciences and evolve state-of-the-art approaches to patient care through translational research.

Mission

1. To establish the highest standards of evidence-based care for psychiatric and neurological disorders and rehabilitation.
2. Develop expertise and set standards of care for diseases of public health relevance in the developing world
3. Work with the government and provide consultancy services for policy planning and monitoring strategies in the field of Mental Health and Neurosciences and facilitate execution of national health programs.
4. Human resource capacity building by training in diverse fields related to Mental Health and Neurosciences.
5. Develop and strengthen inter-disciplinary, inter-institutional and international collaboration with universities and research institutes across the globe to foster scientific research, training in advanced technology and exchange of ideas in the areas of Mental Health and Neurosciences.
6. Strive to enhance equitable accessibility of primary care in Mental Health and Neurological Disorders to all sections of society and ages including the vulnerable population.
7. Evolve and monitor the strategies for disaster management and psycho-social rehabilitation in different cultural and ethnic groups.
8. Promote Mental Health literacy and eliminate the stigma attached to the Mental and Neurological Illnesses by taking the measures and the delivery system to the centres of primary health care honouring the human rights and dignity.
9. Integrate allopathic and oriental medicine into health care delivery and promote evidence-based research.
10. Integrate physical and metaphysical aspects of Neuroscience research to promote yoga and its application to positive mental health.
11. Participate in broad field of Neuroscience and Behavioural Research applicable to Human Ethics, Organ Transplantation, Stem cell Research, Space Science, and Nuclear Science.

For more details about various activities of NIMHANS, please refer to the NIMHANS website (www.nimhans.ac.in).

CALENDAR OF ACTIVITIES

Institute Administration	
Name & Designation	Telephone Number
Dr. Pratima Murthy, Director	080 - 26995001/26995002
Shri. Harsha A H, ICAS Registrar	080 - 26995005/26995006
Dr. K Thennarasu, Dean (Basic Sciences) & Controller of Examinations	080 - 26995004/26995852
Dr. Y C Janardhan Reddy, Dean (Behavioural Sciences) & I/c Deanery (Research)	080 - 26995004/26995851
Dr. A Nalini, Dean (Neuro Sciences)	080 - 26995004/26995850
Dr. Anisha Shah, Associate Dean (Behavioural Sciences) & I/c Student Affairs	080 - 26995186
Dr. K R Madhusudan Reddy, Associate Dean (Neuro Sciences)	080 - 26995412
Dr. T N Sathyaprabha, Associate Dean (Basic Sciences) & Chairperson, Anti-Ragging Committee	080 - 26995172
Shri. Murugan J, Administrative Officer, Academic & Evaluation Section	080 - 26995012

Entrance Examination*

Schedule*	Dates
Date of Advertisement of Admission Notification	2 nd March 2026
Start Date and End Date for Submission of Online Application Forms	2 nd March 2026 to 31 st March 2026
Date of Conduct of Entrance Test at Bengaluru for all courses	29 th - 31 st May, 2026
Date of Announcement of results for Ph.D. Courses	1 st June, 2026
Date of Interview for Ph.D. Courses	2 nd June 2026 & 3 rd June 2026
Date of Announcement of overall results for all other courses	10 th June, 2026
Date of Provisional Selection list for Ph.D. courses	
Date of Announcement of Provisional Selection list for all other courses except Ph.D.	20 th June, 2026
Date of Admission - Non-Medical Courses	23 rd June 2026
Date of Admission - Medical Courses	24 th June 2026
Date of Admission - Ph.D. Courses	25 th June 2026
Date of course commencement	01 st July 2026

* The dates indicated above are tentative and subject to change; relevant details will be made available on the NIMHANS website only.

** The candidate must have completed the qualifying degree, along with the final semester/year result/provisional/confidential result on the date of admission, failing which the candidature will NOT be considered for admission.

ABBREVIATIONS

Abbreviation	Expansion
AYUSH	AYURVEDA, YOGA AND NATUROPATHY, UNANI, SIDDHA AND HOMEOPATHY
B.Sc.	BACHELOR OF SCIENCE
B.Sc. MLT	BACHELOR OF SCIENCE IN MEDICAL LABORATORY TECHNOLOGY
B.Tech.	BACHELOR OF TECHNOLOGY
BAMS	BACHELOR OF AYURVEDIC MEDICINE AND SURGERY
BDS	BACHELOR OF DENTAL SCIENCES
BE	BACHELOR OF ENGINEERING
CAP	CHILD & ADOLESCENT PSYCHIATRY

CPH	CENTRE FOR PUBLIC HEALTH
CSIR	COUNCIL OF SCIENTIFIC & INDUSTRIAL RESEARCH
DBT	DEPARTMENT OF BIOTECHNOLOGY
DCNT	DIPLOMA COURSE IN CLINICAL NEUROPHYSIOLOGY TECHNOLOGY
DM	DOCTORATE OF MEDICINE
DMLT	DIPLOMA IN MEDICAL LABORATORY TECHNOLOGY
DNB	DIPLOMATE OF NATIONAL BOARD
DNN	POST-BASIC DIPLOMA IN NEUROSCIENCE NURSING
DPM	DIPLOMA IN PSYCHIATRY
DPN	POST-BASIC DIPLOMA IN PSYCHIATRIC /MENTAL HEALTH NURSING
DRDO	DEFENCE RESEARCH AND DEVELOPMENT ORGANIZATION
DST	DEPARTMENT OF SCIENCE AND TECHNOLOGY
ICMR	INDIAN COUNCIL OF MEDICAL RESEARCH
INC	INDIAN NURSING COUNCIL
JR	JUNIOR RESIDENT
JRF	JUNIOR RESEARCH FELLOW
M.Ch.	MAGISTER CHIRURGIAE
M.Phil.	MASTER OF PHILOSOPHY
M.Sc.	MASTER OF SCIENCE
M.Stat.(ISI)	MASTER OF STATISTICS (INDIAN STATISTICAL INSTITUTE)
M.Tech.	MASTER OF TECHNOLOGY
MA	MASTER OF ARTS
MBBS	BACHELOR OF MEDICINE, BACHELOR OF SURGERY
MCI	MEDICAL COUNCIL OF INDIA
MD	DOCTOR OF MEDICINE
MLT	MEDICAL LABORATORY TECHNOLOGY
MOT	MASTER OF OCCUPATIONAL THERAPY
MPH	MASTER OF PUBLIC HEALTH
MPT	MASTER OF PHYSIOTHERAPY
MS	MASTER OF SURGERY

Abbreviation	Expansion
MSW	MASTER OF SOCIAL WORK
MClinPsy	MASTERS IN CLINICAL PSYCHOLOGY
MPSW	MASTERS IN PSYCHIATRIC SOCIAL WORK
NABL	NATIONAL ACCREDITATION BOARD FOR TESTING AND CALIBRATION LABORATORIES
NACO	NATIONAL AIDS CONTROL ORGANIZATION
NCI	NURSING COUNCIL OF INDIA
NIIR	NEUROIMAGING AND INTERVENTIONAL RADIOLOGY
NMC	NATIONAL MEDICAL COMMISSION
OCD	OBSESSIVE COMPULSIVE DISORDER
PDF	POSTDOCTORAL FELLOWSHIP
Ph.D.	DOCTOR OF PHILOSOPHY
PSW	PSYCHIATRIC SOCIAL WORK
RCI	REHABILITATION COUNCIL OF INDIA
SAARC	SOUTH ASIAN ASSOCIATION FOR REGIONAL COOPERATION
SERB	SCIENCE AND ENGINEERING RESEARCH BOARD
SR	SENIOR RESIDENT
SRF	SENIOR RESEARCH FELLOW
TMC	TRANSFUSION MEDICINE CENTRE
UGC	UNIVERSITY GRANTS COMMISSION
AICTE	ALL INDIA COUNCIL FOR TECHNICAL EDUCATION

General Guidelines for Admission to Ph.D. courses

Departments offering Ph.D. Program		Department of Biophysics
		Department of Biostatistics
		Department of Child & Adolescent Psychiatry
		Department of Clinical Psychopharmacology and Neurotoxicology
		Department of Clinical Psychology
		Department of Epidemiology
		Department of Human Genetics
		Department of Mental Health Education
		Department of Neuroanaesthesia & Neurocritical Care
		Department of Neurochemistry
		Department of Neuroimaging and Interventional Radiology
		Department of Neurology
		Department of Neurological Rehabilitation
		Department of Neuromicrobiology
		Department of Neuropathology
		Department of Neurophysiology
		Department of Neurovirology
		Department of Nursing
		Department of Psychiatric Social Work
		Department of Psychiatry
Department of Speech Pathology & Audiology		
Department of Integrative Medicine		
Department of Psychosocial Support and Disaster Management		
Department of Transfusion Medicine & Hematology Medicine		
Psychiatric Rehabilitation Services		
General eligibility	Eligible qualification	Qualifying degree as specified for the course concerned
	External Fellowship including sponsorship category	<p>a. Indian National Applicants who are/have:</p> <ol style="list-style-type: none"> An External fellowship from Government funding agencies like UGC, CSIR, ICMR, DBT, DST, CCRYN and AYUSH (specific references to courses in Yoga and Ayurveda): JRF/SRF only such applicants can activate JRF/SRF only after joining respective Ph.D. course at NIMHANS. Permanent employees of NIMHANS, sponsored to pursue Ph.D. Permanent employees of the Government of India/State Government Institutions/ Universities and Public Sector Undertakings, sponsored/deputed to pursue Ph.D. at NIMHANS. Funded by Research Projects at NIMHANS <p>b. Foreign National Applicants sponsored/deputed by government organizations / recognized universities /national scholarship holders from recognized organizations to pursue Ph.D. at NIMHANS.</p>
	Other requirements	Applicants should have qualified from a recognized Institution/ University
Course duration		3 to 5 years

General Guidelines for Admission to Ph.D. courses							
Mode of selection		Entrance Test (70%) + Interview (30%)					
		<i>Mere qualifying in the Entrance Test and Interview does not entitle admission to a Ph.D. Program. Selection is subject to availability of eligible guides and facilities in the respective departments.</i>					
Qualifying percentage in Entrance Test		UR /OBC/EWS - 50% SC/ST/PwBD - 45%					
Age criteria (as on the day of course, commencement)		40 years for Institute Supported / External Agency Supported / Supported by Research Projects (at NIMHANS) 42 years for Sponsored / Deputed Category and In-Service Candidates					
Emoluments	Institute Support		I Year	II Year	III Year	IV Year	V Year
		Emoluments per month	Rs. 37,000	Rs. 37,000	Rs. 42,000	Rs. 42,000	Rs. 42,000
	Contingency Grants	Rs. 20,000 per annum					
	Non-Institute Support	Applicants selected under 'Sponsored / Deputed Category' or 'External Fellowship Category', drawing pay and allowances from their employers / funding agencies / Funded Research Projects at NIMHANS are not eligible for any emoluments from the Institute.					
Fees		Rs. 32,000/- per annum (excluding hostel charges as applicable). For details, refer to 'Fees' section of the Prospectus.					
Leave		Under 'Institute Support' - 30 days of annual leave and any other form of leave availed shall be 'without Emoluments'.					
		Under 'External Agency Support' Category - as per the rules of the External Fellowship Agency/Employer concerned.					
		Under 'Supported by Research Projects(at NIMHANS)' Category - as per the rules of funding agency / NIMHANS					
Program of Study for all Ph.D. Courses		Initially the candidate will be provisionally registered for Ph.D. The registration will be confirmed after qualifying the Pre-Ph.D. examination. The candidate would be trained in both theory and practical aspects of the curriculum pertaining to the discipline. After successful completion of the proposed work and approval of the synopsis, the candidate shall submit the thesis for the award of Ph.D. degree.					
Additional Information		The NIMHANS-University of Liverpool Dual Ph.D. Program, funded by the Pratiksha Trust, enables Ph.D. scholars from any discipline to pursue a jointly supervised Ph.D. program. One Institute-supported Ph.D. Scholar is selected through an internal interview process and supported through a structured funding model, with an opportunity to spend part of the course tenure at the University of Liverpool to promote international research collaboration and academic exchange.					
The eligible guide list along with the area of specialization and the available slots(which may vary) is available in the website for reference only.							

Please Note: Candidates obtaining a minimum of 50% marks (45% for SC/ST/PwBD candidates) in the Entrance test shall be shortlisted for the interview in the ratio of 1:6.

Ph.D. Course Work Co-ordinators

Sl. No.	Name of the Module	Coordinators
1.	Research Methodology (RM)	Dr. B. Binukumar, Additional Professor of Biostatistics
2.	Quantitative and Qualitative Software (SS)	Dr. Binu V. S., Additional Professor of Biostatistics
3.	Computer Applications (CA)	Dr. B. N. Srikumar, Professor of Neurophysiology
4.	Human /Animal Ethics (Ethics)	
5.	Research and Publication Ethics	
6.	Basic Sciences	Dr. Monojit Debnath, Professor & Head, Department of Human Genetics
7.	Behavioural Sciences	Dr. Geetha Desai, Professor of Psychiatry
8.	Neurosciences	Dr. Sudhir V, Professor of Neuroanaesthesia & Neurocritical Care
9.	Nodal Officer for UGC /ICMR /CSIR / DST / DBT / SERB supported programmes	Dr. B. N. Srikumar, Professor of Neurophysiology

Ph.D. in Biophysics

Department	Biophysics
Eligible Qualification	MBBS OR M.Phil. Biophysics /Neuroscience OR Master's Degree in Biochemistry /Biophysics / Bioinformatics / Biotechnology / All branches of Life Sciences /Microbiology/ Physics / Physiology / Pharmacology / Regenerative Medicine.
Seat offered	<p>02 seats under 'Institute Support'</p> <p>Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.</p>
For more details, refer Department's information on NIMHANS Website or contact 080-26995101	

Ph.D. in Biostatistics

Department	Biostatistics
Eligible Qualification	Master's Degree in Agricultural Statistics/Applied Statistics/ Biostatistics / Health Statistics / Medical Statistics / Statistics OR M.Stat. (ISI) through regular course.
Seat offered	<p>03 seats under 'Institute Support'</p> <p>Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.</p>
For more details, refer Department's information on NIMHANS Website or contact 080-26995120	

Ph.D. in Child & Adolescent Psychiatry	
Department	Child & Adolescent Psychiatry
Eligible Qualification	DNB in Psychiatry OR MD in Psychiatry OR M.Phil. in Clinical Psychology / Psychiatric Social Work.
Seat offered	Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995351	

Ph.D. in Clinical Psychology	
Department	Clinical Psychology
Eligible Qualification	M.Phil. in Clinical Psychology OR M.Phil. in Mental Health and Social Psychology OR 2 years Master's Degree in Applied Psychology/ Clinical Psychology / Counselling Psychology / Psychological Counselling / Psychology
Seats offered	06 seats under 'Institute Support'
	Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995180	

Ph.D. in Cognitive Psychology and Experimental Neuroscience	
Department	Clinical Psychology
Eligible Qualification	M.Phil. in Clinical Psychology OR M.Phil. in Mental Health and Social Psychology OR 2 years Master's Degree in Applied Psychology** / Clinical Psychology / Counselling Psychology / Psychological Counselling / Psychology/ Neuropsychology/ M.Sc. in Cognitive Science/ OR M.Tech. in Cognitive Science/ M.Tech. in Cognitive Systems/ M.Tech in Cognitive Neurosciences/Machine Learning
Seats Offered	Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995180	

Ph.D. in Clinical Psychopharmacology and Neurotoxicology	
Department	Clinical Psychopharmacology and Neurotoxicology
Eligible Qualification	MBBS or DPM or MD/DNB in Psychiatry/ Psychological Medicine or M. Pharm or Pharm D or MD/DNB in Biochemistry/ Microbiology / M.Phil. / 2years M.Sc. in Biochemistry/ Microbiology /Physiology /Neurosciences / Zoology/ Biotechnology / M.Tech in Biotechnology/ M.Sc. in Forensic Sciences / Forensic Medicine/ MD/DNB in Pharmacology and MD/DNB in Forensic Sciences
Seats offered	02 seat under 'Institute Support'
	Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995111	

Ph.D. in Epidemiology	
Department	Epidemiology
Eligible Qualification	Master's Degree in relevant field which includes Public Health, Community Medicine, Medicine, Social Sciences and allied subjects from a University recognized by the Government of India / National Medical Commission of India
Seats offered	01 seat under 'Institute Support'
	Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995240	

Ph.D. in Public Health	
Department	Epidemiology
Eligible Qualification	Master's Degree in relevant field which includes Public Health, Community Medicine, Medicine, Social Sciences and allied subjects from a University recognized by the Government of India / National Medical Commission of India
Seats offered	01 seat under 'Institute Support'
	Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995240	

Ph.D. in Integrative Medicine	
Department	Department of Integrative Medicine
Eligible Qualification	MBBS / BAMS / BNYS / MA OR M.Sc. OR M.Phil. in Yoga / Clinical Psychology / Neuroscience/ M.Sc. in Nursing / M. Pharm OR Masters in Physiotherapy, M.Sc. in Medical Biotechnology/ Biotechnology /Biochemistry/Genetics/Microbiology/Immunology/Physiology/Bioinformatics/Cellular Biology and anatomical Sciences/Molecular Biology/ Biophysics/ Anatomy/ Pharmacology/ Zoology/ Botany/OR M.E OR M.Tech.
Seats Offered	Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995323	

Ph.D. in Human Genetics	
Department	Human Genetics
Eligible Qualification	2 years Master's Degree in Zoology / Biotechnology / Biochemistry / Applied Genetics / Human Genetics / Molecular Biology / Biomedical Genetics OR M.Tech in Genetic Engineering / Genetic Biotechnology OR B.Tech in Biotechnology OR MBBS
Seats offered	02 seats under 'Institute Support' Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995782 / 26995722	

Ph.D. in Mental Health Education	
Department	Mental Health Education
Eligible Qualification	MBBS / Masters in Health Education / Media Studies / Journalism / Mass Communication / Masters in Public Health / Masters in Social Work / Nursing / Psychology with 2 years of experience in a mental health setting or in Health Journalism.
Seats offered	01 seat under 'Institute Support' Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995157	

Ph.D. in Neuroanaesthesia and Neurocritical Care	
Department	Neuroanaesthesia & Neurocritical Care
Eligible Qualification	MD/DNB in Anaesthesia OR MBBS OR M.Sc. Anaesthesia Technology / M.Sc. in Life Sciences OR equivalent degree OR ME / M.Tech / BE / B.Tech from a University recognized by the Government of India
Fellowship	Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995157	

Ph.D. in Neurochemistry	
Department	Neurochemistry
Eligible Qualification	2 Years M.Sc. Degree or Integrated MSc in Biochemistry/ Biotechnology/ Neurosciences/ Medical Biochemistry/ Biological Sciences/ Life Sciences/Biomedical Sciences/ MD/DNB in Biochemistry from a University recognized by the Government of India
Seats offered	02 seats under 'Institute Support' Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995162	

Ph.D. in Neuroimaging and Interventional Radiology	
Department	Neuroimaging and Interventional Radiology
Eligible Qualification	MBBS / MD OR DNB in Radiodiagnosis OR 2 years Master's Degree in Neuroimaging / Medical Imaging Technology / Zoology / Neurosciences / Physiology / Pharmacology / Biological Sciences / Cell Biology / Life Sciences / Anatomy / Biochemistry / Microbiology / Molecular Biology / Biotechnology and Human Genetics / Bioinformatics / Biophysics / Developmental Biology / Systems Biology / Nuclear Medicine / Chemistry / Radiochemistry OR M.Phil in Neurophysiology / Clinical Psychology / Psychology OR M.Tech in Cognitive Neurosciences OR BE / B.Tech in Electronics / Electricals / Computer Science / Biotechnology (Integrated Bachelor's Degree of 5 years) from a University recognized by the Government of India
Seats offered	01 seat under 'Institute Support' Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995424	

Ph.D. in Neurology	
Department	Neurology
Eligible Qualification	MBBS OR MD OR BDS OR M.Tech with experience in Neuroscience Research OR 2 years M.Sc. in Life Sciences/B.E/B.Tech in Electronics /Applied Electronics/ Biomedical Engineering/ Instrumentation / Computer Engineering/ Mechatronics from a University recognized by the Government of India
Seats offered	01 seat under 'Institute Support'
	Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995140 or 26995150	

Ph.D. in Neurological Rehabilitation	
Department	Neurological Rehabilitation
Eligible Qualification	DNB in Physical Medicine & Rehabilitation OR Master's Degree in Physiotherapy (MPT) / Occupational therapy (MOT) / Orthotics & Prosthetics OR MBBS OR MD in Physical Medicine & Rehabilitation OR M.Phil. in Clinical Psychology / Psychiatric Social Work / Clinical Neurosciences OR Master's Degree in Nursing / Speech Therapy from a University recognized by the Government of India
Seats offered	Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995282	

Ph.D. in Neuromicrobiology	
Department	Neuromicrobiology
Eligible Qualification	MD Microbiology OR Master's Degree in Applied Microbiology / Biomedical Genetics / Biotechnology / Medical Microbiology / Microbiology / MLT / Molecular Biology.
Seats offered	02 seats under 'Institute Support'
	Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995151	

Ph.D. in Neuropathology	
Department	Neuropathology
Eligible Qualification	MBBS OR MD in Pathology OR 2 years Master's Degree in Zoology / Neurosciences / Physiology / Biotechnology / Biological Sciences / Cell Biology / Life Science / Anatomy / Biochemistry / Microbiology / Molecular Biology and Human Genetics / Bioinformatics / Biophysics / Developmental Biology / Evolutionary Biology / Systems Biology.
Seats offered	Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995130	

Ph.D. in Neurophysiology	
Department	Neurophysiology
Eligible Qualification	M.Phil in Neurophysiology / Neurosciences / Yoga OR MD in Ayurveda / Physiology / Yoga OR 2 years Master's Degree in Physiology / Anatomy / Biochemistry / Biotechnology / Life Sciences / Cognitive Neuroscience / Neuroscience / Zoology / Pharmacology OR MBBS OR MS (Pharm) / M.Pharm (Pharmacology OR Biotechnology) OR BE / B.Tech / ME/M.Tech in Electronics / Electricals / Computer Science / Biotechnology
Seats offered	03 Seats under 'Institute Support' Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995173	

Ph.D. in Neurovirology	
Department	Neurovirology
Eligible Qualification	MBBS OR MD in Microbiology OR 2 years Master's Degree in Biotechnology/Medical Microbiology /Microbiology /Virology /MLT /Molecular Biology /Neurosciences /Immunology /Bioinformatics /Genomics /Life Sciences.
Seats offered	02 seats under 'Institute Support' Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995126	

Ph.D. in Nursing	
Department	Nursing
Eligible Qualification	Master's Degree in Nursing
Seats offered	<p>01 seat under 'Institute Support'</p> <p>Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details.</p> <p>Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.</p>
For more details, refer Department's information on NIMHANS Website or contact 080-26995229	

Ph.D. in Psychiatric Social Work	
Department	Psychiatric Social Work
Eligible Qualification	2 years Master's Degree in Social Work OR M.Phil. in Psychiatric Social Work
Seats offered	<p>06 seats under 'Institute Support'</p> <p>Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details.</p> <p>Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.</p>
For more details, refer Department's information on NIMHANS Website or contact 080-26995240	

Ph.D. in Psychiatry	
Department	Psychiatry
Eligible Qualification	BE OR B.Tech OR MBBS OR MD OR ME OR M.Tech OR 2 years Master's Degree in Medical Biotechnology / Biotechnology / Biochemistry / Genetics/ Microbiology / Immunology / Physiology / Bioinformatics / Cellular Biology and Anatomical Sciences / Molecular Biology / Biophysics/ Anatomy / Neurosciences / Pharmacology / Zoology / Life Sciences / M. Pharm / Regenerative Medicine / Cognitive Sciences / Social Sciences / Public Health
Seats offered	<p>Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details.</p> <p>Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.</p>
For more details, refer Department's information on NIMHANS Website or contact 080-26995250	

Ph.D. in History of Psychiatry	
Department	Psychiatry
Eligible Qualification	MBBS OR 2 years Master's Degree in Psychology / Philosophy / History / Sociology / Social Work / Languages
Seats offered	<p>Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details.</p> <p>Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.</p>
For more details, refer Department's information on NIMHANS Website or contact 080-26995250	

Ph.D. in Mental Health Rehabilitation	
Department	Psychiatry
Eligible Qualification	MBBS OR M.Phil. Degree in Clinical Psychology / Psychiatric Social Work OR 2 years Master's Degree in Psychiatric Nursing / Psychosocial Rehabilitation / Occupational Therapy.
Seats offered	02 seats under 'Institute Support' Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995250	

Ph.D. in Psychosocial Support in Disaster Management	
Department	Psychosocial Support in Disaster Management
Eligible Qualification	Master's Degree in Social Work / Psychiatric Social Work / Applied Psychology / Clinical Psychology / Counselling Psychology / Psychological Counselling / Psychology OR M.Sc. in Psychiatric Nursing OR MD in Psychiatry OR DNB in Psychiatry
Seats offered	02 seats under 'Institute Support' Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080- 26972289/2283	

Ph.D. in Speech Pathology and Audiology	
Department	Speech Pathology and Audiology
Eligible Qualification	Master's Degree in Speech Pathology & Audiology / Speech Language Pathology / Audiology.
Seats offered	03 seat under 'Institute Support' Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995568	

Ph.D. in Transfusion Medicine & Haematology	
Department	Transfusion Medicine & Haematology
Eligible Qualification	MD in Transfusion Medicine/Immunoematology and Blood Transfusion/MBBS/Masters in Transfusion Medicine /Medical Laboratory Technology/Biotechnology/Life Sciences/Biological Sciences/Neurosciences
Seats offered	Applicants categorized under 'External Agency Supported' can apply. Kindly refer to 'External Agency Supported' sub-section under 'Categories of Applicants' section of this Prospectus for more details. Kindly refer to 'Website Notification' document pertaining to the concerned session admissions, on the NIMHANS Website to know about the availability of guides.
For more details, refer Department's information on NIMHANS Website or contact 080-26995437	

General Guidelines for Admission to Postdoctoral Fellowship Courses under Post MD Category		
Departments under which Postdoctoral Fellowship Courses are offered		Department of Child & Adolescent Psychiatry (01 course)
		Department of Integrative Medicine (03 courses)
		Department of Neuroanaesthesia & Neurocritical Care (03 courses)
		Department of Neuroimaging & Interventional Radiology (01 course)
		Department of Neurological Rehabilitation (01 course)
		Department of Neuromicrobiology (02 course)
		Department of Neurovirology (01 course)
		Department of Neuropathology (01 course)
		Department of Transfusion Medicine & Haematology (01 course)
		Department of Psychiatry (14 Courses)
General Eligible Qualification	<i>Eligible qualification</i>	Qualification degree as specified for the course concerned.
	<i>For Applicants applying under 'Sponsored Category'</i>	a. Applicants who are/have been permanent/tenured employees of Government of India/State Government Institutions/Universities and Public Sector Undertakings, sponsored or permitted to pursue course at NIMHANS with or without leave, pay or allowances from their employers, should apply under this category. b. Applicable for courses with 'Sponsored Category' only.
	<i>Other requirements</i>	Applicants should have pursued and been awarded qualification from an Institution/University recognized by Medical Council of India.
Course duration		1 year
Mode of selection	<i>Seats under Institute Support</i>	Kindly refer to 'Selection Procedure for PDF Courses in Psychiatry' Course and 'Selection Procedure for PDF courses in Departments Other than Psychiatry'
	<i>Seats under Sponsored/ Deputed Category</i>	
Qualifying percentage in Entrance Test		UR/SC/ST/OBC/EWS/PwBD- 50%
Age criteria (as on the day of course commencement)		45 Years
Emoluments	<i>Institute Support</i>	Basic Pay of Rs. 67,700/- per month
	<i>Sponsored/ Deputed Category</i>	Applicants selected under 'Sponsored category' or who are drawing pay and allowances from their employers, are not eligible for any emoluments from the Institute.
Fees		Rs. 58,450/- (excluding hostel charges as applicable). For details, refer to 'Fees' section of the prospectus
Leave	<i>Institute Support</i>	Under 'Institute Support' Category-30 days Earned Leave, 20 days Half Pay Leave, 08 days Casual Leave and 02 days of Restricted Holidays
	<i>Sponsored/ Deputed Category</i>	Under 'Sponsored Category'-as per the rules of the Employer concerned
Selection Procedure for 'PDF		1. For PDF in Psychiatry, there will be one common entrance exam

in Psychiatry' course	<p>for all courses with the name 'PDF in Psychiatry'</p> <ol style="list-style-type: none"> The candidate shall submit only one application and application fee will also be collected for a single course The candidate may choose the course based on their merit order in the entrance test and course availability during counselling
Selection Procedure for PDF Courses in Departments other than Psychiatry	<ol style="list-style-type: none"> Candidates shall submit individual applications for the respective course in each Department Application fee will be collected individually for each course Seat allocation will be based on merit order
<p>Note: A candidate may do a maximum of 2 PDF courses in the same Department under the Neuroscience Division only (i.e. Department of Neuroanaesthesia & Neurocritical Care, Neuro Imaging and Interventional Radiology, Neurology, Neurological Rehabilitation, Neuropathology, Transfusion Medicine & Haematology)</p>	

Postdoctoral Fellowship in Child & Adolescent Psychiatry		
Department	Child & Adolescent Psychiatry	
Minimum requirements for admission	Eligible Qualification	MD in Psychiatry
	Other criteria	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'.
Seats offered	05 seats under 'Institute Support'	
	01 seat under 'Sponsored Category'	
Program of Study	Postdoctoral Fellowship in Child and Adolescent Psychiatry is a 1-year course. The PDF course was conceptualized to increase the workforce of child psychiatry practitioners in India. The primary focus of the PDF course is to empower the trainees with clinical skills to independently diagnose and manage neurodevelopmental disorders and psychiatric disorders in children and adolescents. PDF trainees work as full time Senior Residents in Child and Adolescent Psychiatry.	
For more details, refer Department's information on NIMHANS Website or contact 080-26995351		

Postdoctoral Fellowship in Integrative Mental Health and Neurosciences (Ayurveda)		
Department	Integrative Medicine	
Minimum requirements for admission	Eligible Qualification	MD in Ayurveda (Kayachikithsa / Manasaroga / Panchakarma) from a Recognized University / Institution).
	Other criteria	Sponsored / Deputed by the State / Central Government OR Public Sector undertakings of State or Central Government OR Institutions / Universities can apply under 'Sponsored category'.
Seats offered	01 seat under 'Institute Support'	
	01 seat under 'Sponsored Category'	
Program of Study	This is the first Fellowship Program in Integrative Mental Health in India and aims to enable the candidate to be a leader in this emerging global field. The candidate will get hands-on clinical experience in assessment of patients with neuropsychiatric disorders using both traditional and modern techniques and treatment using Ayurveda and Yoga therapy. In addition, the candidate will have exposure to state-of-the-art research techniques in this area including molecular biology, neuroimaging and clinical trials.	
For more details, refer Department's information on NIMHANS Website or contact 080-26995323		

Postdoctoral Fellowship in Integrative Mental Health and Neurosciences (Yoga)		
Department		Integrative Medicine
Minimum requirements for admission	<i>Eligible Qualification</i>	MD in Yoga/Clinical Yoga/Yoga and Rehabilitation/Swasthavritta and Yoga OR M.Sc. Yoga Therapy with Ph.D. Yoga/Ph.D. in Integrative Medicine in a clinical area from recognized University/Institution
	<i>Other criteria</i>	Sponsored / Deputed by the State / Central Government OR Public Sector undertakings of State or Central Government OR Institutions / Universities can apply under 'Sponsored category'.
Seats offered		01 seat under 'Institute Support'
Program of Study		This is the first Fellowship Program in Integrative Mental Health in India and aims to enable the candidate to be a leader in this emerging global field. The candidate will get hands-on clinical experience in assessment of patients with neuropsychiatric disorders using both traditional and modern techniques and treatment using Ayurveda and Yoga therapy. In addition, the candidate will have exposure to state-of-the-art research techniques in this area including molecular biology, neuroimaging and clinical trials.
For more details, refer Department's information on NIMHANS Website or contact 080-26995323		

Postdoctoral Fellowship in Integrative Psychiatry		
Department		Integrative Medicine
Minimum requirements for admission	<i>Eligible Qualification</i>	MD/ DNB Degree in Psychiatry
	<i>Other criteria</i>	Sponsored / Deputed by the State / Central Government OR Public Sector undertakings of State or Central Government OR Institutions / Universities can apply under 'Sponsored Category'.
Seats offered		01 seats under 'Institute Support' 01 seat under 'Sponsored Category'
Program of Study		This is the first Fellowship Program in Integrative Psychiatry in India and aims to equip psychiatrists with hands-on clinical experience in assessment and treatment of patients with neuropsychiatric disorders using concepts and techniques from Ayurveda and Yoga therapy. In addition, the candidate will have exposure to state of the art research in this area.
For more details, refer Department's information on NIMHANS Website or contact 080-26995323		

Postdoctoral Fellowship in Neuroanaesthesia		
Department		Neuroanaesthesia & Neurocritical Care
Minimum requirements for admission	<i>Eligible Qualification</i>	MD / DNB in Anaesthesiology
	<i>Other criteria</i>	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'.
Seats offered		06 seats under 'Institute Support' 02 seats under 'Sponsored Category'
Program of Study		The course envisages training the candidates in basic sciences related to neuroanaesthesia, clinical neuroanaesthesia for neurosurgery, anaesthesia for neuroradiological procedures including interventional neuroradiology and magnetic resonance imaging. The fellows will receive training in handling neurological patients in the intensive care unit, apart from conduct of research
For more details, refer Department's information on NIMHANS Website or contact 080-26995415		

Postdoctoral Fellowship in Neurocritical Care	
Department	Neuroanaesthesia & Neurocritical Care
Eligible Qualification	DM / Neurology / M.Ch. in Neurosurgery OR MD/ DNB/DrNB in Anaesthesiology / Internal Medicine OR / Neurology /Neurosurgery
Seats offered	03 seats under 'Institute Support'
Program of Study	<p>The students are trained in the following areas:</p> <ol style="list-style-type: none"> General principles of critical care including organization of critical care, scoringsystems, admission and discharge criteria, transport of patients. Basic neuroanatomy and physiology. Pre-hospital and neuro-intensive-care in patients with neurologic injury. Cerebrovascular accidents. Traumatic brain and spinal cord injury. Neurological disease including seizure disorder, peripheral motor neuronedisease, infectious diseases of CNS. Monitoring in critical care. Neuroimaging and Other radiological investigations. Neurorehabilitation and treatment of complications. Research in the neurocritical-care.
For more details, refer Department's information on NIMHANS Website or contact 080-26995415.	

Postdoctoral Fellowship in Pain Management		
Department	Neuroanaesthesia & Neurocritical Care	
Minimum requirements for admission	<i>Eligible Qualification</i>	MD /DNB in Anaesthesiology
	<i>Other criteria</i>	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'.
Seats offered	01 seat under 'Institute Support'	
Program of Study	<p>The Fellow in Pain Management will be trained in the following:</p> <ul style="list-style-type: none"> Anatomy, pathology, pharmacology, and neurobiology related to pain. Clinical methods and history taking in pain medicine in OPD wards. Laboratory and Imaging workup. Hands-on training in Ultrasound and fluoroscopy-guided interventions for acute and chronic pain. Multi-disciplinary pain management exposure (Psychology, Physiotherapy, Neurology, Neurosurgery, etc.). Structured academic program including didactic lectures, seminars, case discussions, and journal presentations External postings to enhance knowledge Opportunity for research in Pain medicine 	
For more details, refer Department's information on NIMHANS Website or contact 080-26995415		

Postdoctoral Fellowship in Diagnostic Neuroimaging	
Department	Neuroimaging and Interventional Radiology
Eligible Qualification	MD/DNB in Radiology from recognized University/Institute in India or an equivalent degree from abroad.
Seats offered	04 seats under 'Institute Support'
Program of Study	Training of radiology post-graduates in finer nuances of neuroradiology. The program's scope extends into the intensive clinical use of all the advanced Neuroimaging methods along with the use of PACS. Part of the curriculum is devoted to critical evaluation of the scientific neuroimaging literature and using it in both clinical practices as well as in the research work. The faculty would train fellows to carry out small research projects in the field of neuroradiology. The program would enable exposure of fellows to the emerging field of molecular imaging.
For more details, refer Department's information on NIMHANS Website or contact 080-26995424	

Postdoctoral Fellowship in Neurological Rehabilitation	
Department	Neurological Rehabilitation
Eligible Qualification	MD in Physical Medicine & Rehabilitation OR DNB in Physical Medicine & Rehabilitation.
Seats offered	02 seats under 'Institute Support'
Program of Study	The primary objective of the course is to train psychiatrists in neurological rehabilitation. Training is offered in various aspects of physical medicine and rehabilitation.
For more details, refer Department's information on NIMHANS Website or contact 080-26995143	

Postdoctoral Fellowship in Hospital Infection Control		
Department	Neuromicrobiology	
Minimum requirements for admission	Eligible Qualification	MD in Microbiology OR DNB in Microbiology
	Other criteria	Applicants who are permanent employees sponsored / deputed by the State / Central Government or Public Sector undertakings of State / Central Government or Institutions / Universities can apply under 'Sponsored Category'.
Seats offered	01 seat under 'Institute Support' 01 seat under 'Sponsored Category'	
Program of Study	<p>The candidate works fulltime in the Hospital Infection Control Services under the Department of Neuromicrobiology taking care of:</p> <ul style="list-style-type: none"> • Disinfection & sterilization • Surveillance of Nosocomial infections • Monitoring Antibiotic policy • Managing outbreaks, isolation guidelines for patients • Monitoring central sterile service department • Implementing standard precautions • Prevention of transmission of drug resistant organisms • Managing biomedical wastes • One project work to be carried out and assessed by faculty/ guide during the period of one year • Other activities of IPC • Active participation in seminars, journal clubs, case conferences, didactic lectures will also form the structure of the fellowship program. <p>The candidate will be required to share the duties in the department and participate in all the teaching and training programs.</p>	

For more details, refer Department's information on NIMHANS Website or contact 080-26995151		
Postdoctoral Fellowship in Neuroinfections		
Departments		Neuromicrobiology
Minimum requirements for admission	<i>Eligible Qualification</i>	MD/DNB in Microbiology
	<i>Other criteria</i>	Applicants who are permanent employees sponsored / deputed by the State / Central Government or Public Sector undertakings of State / Central Government or Institutions / Universities can apply under 'Sponsored Category'.
Seats offered		01 seat under 'Institute Support' 01 seat under 'Sponsored Category'
Program of Study		The fellowship program shall be conducted at NIMHANS and such other centres approved by the Institute. During the period of study, the candidate has to work under the guidance of the faculty of Neuromicrobiology, with academic and diagnostic responsibilities. Active participation in seminars, journal clubs, case conferences, didactic lectures will form the main structures of the fellowship program. The candidate will be required to share the duties of Senior Resident and participate in all the teaching and training programs of the department.
For more details, refer Department's information on NIMHANS Website or contact 080-26995151 / 26995126.		

Postdoctoral Fellowship in Neurovirology		
Departments		Neurovirology
Minimum requirements for admission	<i>Eligible Qualification</i>	MD/DNB in Microbiology
	<i>Other criteria</i>	Applicants who are permanent employees sponsored / deputed by the State / Central Government or Public Sector undertakings of State / Central Government or Institutions / Universities can apply under 'Sponsored Category'.
Seats offered		01 seat under 'Institute Support'
Program of Study		The fellowship programme provides comprehensive training in clinical and diagnostic virology, with an emphasis on Neurovirology and Public Health. Fellows are actively involved in routine clinical and diagnostic services of the department and participate in all teaching and training activities conducted by the Department of Neurovirology and allied departments. Fellows share the academic and clinical responsibilities of the Senior Resident, and are expected to actively participate in seminars, journal clubs, clinical rounds, case conferences, and didactic lectures. In addition, each Fellow is required to undertake a relevant research project under the supervision of a faculty member of the Department of Neurovirology and submit a dissertation as part of the programme requirements.
For more details, refer Department's information on NIMHANS Website or contact 080-26995151 / 26995126.		

Postdoctoral Fellowship in Neuropathology		
Department		Neuropathology
Minimum requirements for admission	Eligible Qualification	MD in Pathology OR DNB in Pathology
	Other criteria	Applicants who are permanent employees sponsored / deputed by the State / Central Government or Public Sector undertakings of State / Central Government or Institutions/Universities can apply under 'Sponsored Category'.
Seats offered		02 seats under 'Institute Support' 01 seat under 'Sponsored Category'
Program of Study		The fellows are trained in diagnostic, molecular and ultrastructural neuropathology. They actively participate in routine work, assist in diagnosis, undertake autopsies and participate in teaching sessions of Neuropathology department and allied departments. Adequate diagnostic and research facilities are available for the students.
For more details, refer Department's information on NIMHANS Website or contact 080-26995130		

Postdoctoral Fellowship in Transfusion Medicine		
Department		Transfusion Medicine & Haematology
Minimum requirements for admission	Eligible Qualification	MD in Anaesthesia / Emergency Medicine / Immunohematology & Blood Transfusion/ Medicine / Pathology / Paediatrics / Transfusion Medicine OR DNB in Anaesthesia / Emergency Medicine / immunohematology & Blood Transfusion / Medicine / Pathology / Paediatrics / Transfusion Medicine OR any Other clinical equivalent degree.
	Other criteria	Applicants who are permanent employees sponsored / deputed by the State / Central Government or Public Sector undertakings of State / Central Government or Institutions/Universities can apply under 'Sponsored Category'.
Seats offered		01 seat under 'Institute Support' 01 seat under 'Sponsored Category'
Program of Study		The candidate will work full time in the Transfusion Medicine Centre (TMC), actively participating in counselling, screening and bleeding of voluntary blood donors, and therapeutic procedures. The course elements and procedures include phlebotomy and therapeutic plasma exchange, blood component separation, screening for transfusion-transmitted infections - and Other blood safety activities and responsibilities carried out by Senior Resident including participation in teaching and training activities of the centre. The course content will be such as to cover training in all related disciplines of transfusion medicine. The candidate will be posted to Other hospitals where specific facility relevant to transfusion medicine is available, for a short duration.
For more details, refer Department's information on NIMHANS Website or contact 080-26995712		

Postdoctoral Fellowship Courses in Psychiatry with Common Entrance Test

1. Postdoctoral Fellowship in Acute Care & Emergency Psychiatry		
Department		Psychiatry
Minimum requirements for admission	Eligible Qualification	MD in Psychiatry OR DNB in Psychiatry
	Other criteria	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'.
Seats offered		02 seat under 'Institute Support' 01 seat under 'Sponsored Category'
Program of Study		The Postdoctoral Fellow would be expected to assess and provide care in variety of circumstances where emergency psychiatry care may be warranted apart from supervising the handling of various acute conditions like suicide attempts, violence, substance related, medical comorbidities, delirium, catatonia, geriatric emergencies and drug-induced emergencies. As part of the emergency training, they will also be posted in various Other associated Departments. The fellow will also participate in academic and research work.
For more details, refer Department's information on NIMHANS Website or contact 080-26995250		

2. Postdoctoral Fellowship in Addiction Medicine		
Department		Psychiatry
Minimum requirements for admission	Eligible Qualification	MD in Psychiatry OR DNB in Psychiatry
	Other criteria	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'.
Seats offered		04 seats under 'Institute Support' Funded by DDAP 02 seats under 'Sponsored Category'
Program of Study		The objective of the fellowship is to enhance the clinical skills related with addictive disorders. The candidates are trained in pharmacological and non-pharmacological management of substance use disorders, behavioural addictions and dual diagnosis. The program also offers an opportunity to carry out a small research project.
For more details, refer Department's information on NIMHANS Website or contact 080-26995250		

3. Postdoctoral Fellowship in Clinical Neurosciences & Therapeutics in Schizophrenia		
Department		Psychiatry
Minimum requirements for admission	Eligible Qualification	MD in Psychiatry OR DNB in Psychiatry
	Other criteria	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'.
Seats offered		01 seat under 'Institute Support' 02 seats under 'Sponsored Category'

Program of Study	This course aims at training young psychiatrists in developing expertise in advanced clinical skills and translational research to meet the challenges of schizophrenia; concurrently studying the interface between psychiatry and medicine with focus on schizophrenia
For more details, refer Department's information on NIMHANS Website or contact 080-26995250	

4. Postdoctoral Fellowship in Community Mental Health

Department		Psychiatry
Minimum requirements for admission	<i>Eligible Qualification</i>	MD in Psychiatry OR DNB in Psychiatry
	<i>Other criteria</i>	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'.
Seats offered		01 seat under 'Institute Support' 02 seats under 'Sponsored Category'
Program of Study		The Postdoctoral Fellow will be placed in outpatient and inpatient services under Community Mental Health. The Postdoctoral Fellow will be involved in mobile outreach clinics, primary healthcare centre (PHC) visits, school mental health programme, information-education-communication (IEC) activities and Other such programs. The Postdoctoral Fellow will supervise MD Residents and M.Phil. trainees. Along with routine clinical care, the Postdoctoral Fellow also participates in academic and research activities related to community psychiatry.
For more details, refer Department's information on NIMHANS Website or contact 080-26995250		

5. Postdoctoral Fellowship in Consultation Liaison Psychiatry

Department		Psychiatry
Minimum requirements for admission	<i>Eligible Qualification</i>	MD in Psychiatry OR DNB in Psychiatry
	<i>Other criteria</i>	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'.
Seats offered		01 seat under 'Institute Support' 01 seat under 'Sponsored Category'
Program of Study		The Postdoctoral Fellow is trained in assessment and management (pharmacotherapy and psychotherapy) of mental disorders in various medical and surgical settings including Neurology, Palliative Care, Oncology and General Hospital Psychiatry. He/she will also be trained in research methodology essential for conducting studies in psychosomatics and general hospital psychiatry
For more details, refer Department's information on NIMHANS Website or contact 080-26995250		

6. Postdoctoral Fellowship in Forensic Psychiatry

Department		Psychiatry
Minimum requirements for admission	<i>Eligible Qualification</i>	MD in Psychiatry OR DNB in Psychiatry

	<i>Other criteria</i>	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'
Seats offered		01 seat under 'Institute Support' 01 seat under 'Sponsored Category'
Program of Study		This Postdoctoral Fellow course in Forensic Psychiatry is designed to train the candidate in clinical as well as research aspects of a specialized branch of psychiatry which deals with the assessment and management of persons with mental illness in conflict with the law. The course serves as an interface between psychiatry and law. It also aims to provide the trainee with in-depth knowledge about civil responsibilities with regard to persons with mental illness such as testamentary capacity, marriage, divorce, adoption, voting, job responsibilities and any Other issue involving tort law and persons with mental illness
For more details, refer Department's information on NIMHANS Website or contact 080-26995250		

7. Postdoctoral Fellowship in Geriatric Psychiatry

Department		Psychiatry
Minimum requirements for admission	<i>Eligible Qualification</i>	MD in Psychiatry OR DNB in Psychiatry
	<i>Other criteria</i>	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'.
Seats offered		02 seat under 'Institute Support' 01 seat under 'Sponsored Category'
Program of Study		The Postdoctoral Fellow is trained in assessment and management (pharmacotherapy, psychotherapy and brain stimulation) of late onset mental illness, cognitive disorders and neuropsychiatric disorders. The fellow will also be trained in research methodology essential for conducting studies in the Geriatric Population
For more details, refer Department's information on NIMHANS Website or contact 080-26995250		

8. Postdoctoral Fellowship in Molecular Psychiatry

Department		Psychiatry
Minimum requirements for admission	<i>Eligible Qualification</i>	MD in Psychiatry OR DNB in Psychiatry
	<i>Other criteria</i>	Applicants who are permanent employees of Government of India / State Government Institutions / Universities and Public Sector undertakings or from SAARC Countries can apply under 'Sponsored Category'
Seats offered		01 seats under 'Institute Support' 01 seat under Sponsored Category
Program of Study		The course shall be conducted at the NIMHANS. During the study period the candidate has to work under the guidance of faculty and scientists of the Molecular Genetics Laboratory. The structure of training programme includes active participation in clinical work, lab work, seminars, journal clubs, neuropsychiatry case conferences and didactic lectures
For more details, refer Department's information on NIMHANS Website or contact 080-26995424		

9. Postdoctoral Fellowship in Neuropsychiatry		
Department		Psychiatry
Minimum requirements for admission	Eligible Qualification	MD in Psychiatry OR DNB in Psychiatry
	Other criteria	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'.
Seats offered		02 seats under 'Institute Support' 01 seat under 'Sponsored/Deputed Category'
Program of Study		The course encompasses training in the following specialities: I. Outpatient services include: Geriatric Psychiatry, Epilepsy Clinic, Movement Disorder Clinic, Neuromuscular Disorders, Multiple Sclerosis, Headache/Stroke Clinic, Pain Clinic, Paediatric Neurology, Neurodevelopmental Disorder Clinic on a rotation basis. II. Inpatient care in liaison with Neurology, Neurosurgery and Neurocritical Care departments.
For more details, refer Department's information on NIMHANS Website or contact 080-26995250		

10. Postdoctoral Fellowship in Neuromodulation in Psychiatry		
Department		Psychiatry
Minimum requirements for admission	Eligible Qualification	MD in Psychiatry OR DNB in Psychiatry
	Other criteria	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'
Seats offered		01 seat under 'Institute Support' 01 seat under 'Sponsored Category'
Program of Study		Postdoctoral Fellowship in Non-Invasive Brain Stimulation(NIBS) for Psychiatric Disorders focuses on acquiring skills in advanced areas of ECT stimulation parameters and involves active liaison with Other specialties to administer ECT inspecial populations. The course helps in acquiring skills in advanced TMS applications, mainly neuro navigational TMS, patterned TMS and investigational aspects of TMS like cortical reactivity and cortico-cotrical interactions. It will also help the fellow in gaining expertise in administering tDCS and Other advanced applications like HDtDCS, tACS and tRNS and investigational aspects of tDCS/tACS such as cortical plasticity and entrainment studies. Critical evaluation of research in ECT, TMS and tDCS and related clinical neuroscience through brainstorming discussions for translation of research findings into clinical settings form the Other key features of the course.
For more details, refer Department's information on NIMHANS Website or contact 080-26995250		

11. Postdoctoral Fellowship in Obsessive Compulsive Disorder & Related Disorders		
Department		Psychiatry
Minimum requirements for admission	Eligible Qualification	MD in Psychiatry OR DNB in Psychiatry.
	Other criteria	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'
Seats offered		02 seats under 'Institute Support' 02 seats under 'Sponsored Category'
Program of Study		The Postdoctoral Fellow is trained in diagnosing cases of obsessive-compulsive disorder and related disorders like trichotillomania, tic disorder, hoarding disorder, body dysmorphic disorders, etc. The Postdoctoral Fellow will also be trained in managing such cases, both pharmacologically and non-pharmacologically. The fellow will also undertake some research activities in the said field.
For more details, refer Department's information on NIMHANS Website or contact 080-26995250		

12. Postdoctoral Fellowship in Psychiatric Rehabilitation		
Department		Psychiatry/ under Psychiatric Rehabilitation Services (PRS)
Minimum requirements for admission	Eligible Qualification	MD in Psychiatry OR DNB in Psychiatry
	Other criteria	Applicants who are permanent employees of Government of India / State Government Institutions / Universities and Public Sector undertakings or from SAARC Countries can apply under 'Sponsored Category'
Seats offered		01 seat under 'Institute Support' 01 seat under Sponsored Category
Program of Study		<ol style="list-style-type: none"> 1. Acquire skills in assessment of rehabilitation needs, liaison with stakeholders, make a recovery oriented and strengths-based plan and handhold persons with psychiatric disability 2. Gain expertise in institute and community-based rehabilitation 3. Skills to work in a multidisciplinary team and handle administrative issues 4. Gain expertise in legislations, policy aspects and planning service delivery in psychiatric rehabilitation 5. Understand culturally relevant best practices in psychiatric rehabilitation practiced by reputed Indian centres 6. First-hand experience in transitional living facilities, supported employment, supported education, social skills training, behavioral therapy and cognitive remediation 7. Ability to train residents, trainees from Other behavioral sciences and external trainees in psychiatric rehabilitation. 8. Ability to critically evaluate research in psychiatric rehabilitation and apply in clinical settings
For more details, refer Department's information on NIMHANS Website or contact 080-26995424		

13. Postdoctoral Fellowship in Women's Mental Health		
Department	Psychiatry	
Minimum requirements for admission	Eligible Qualification	MD in Psychiatry OR DNB in Psychiatry
	Other criteria	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'.
Seats offered	02 seats under 'Institute Support'	
	01 seat under Sponsored Category	
Program of Study	This course in Women's Mental Health will provide sub-speciality training opportunities in research and clinical aspects for psychiatrists interested in the ways sex and gender can exert a major influence on the course, expression and treatment of psychiatric disorders. The course also aims at helping the trainee develop an in-depth appreciation of the influence of sociocultural gender roles and gender related vulnerabilities such as violence and discrimination on the mental health of women.	
For more details, refer Department's information on NIMHANS Website or contact 080-26995250.		

14. Postdoctoral Fellowship in Tele-Psychiatry	
Department	Psychiatry
Eligible Qualification	MD in Psychiatry OR DNB in Psychiatry
Seats offered	01 seat under 'Institute Support'
Program of Study	The Post-Doctoral Fellowship in Tele-Psychiatry is designed to coordinate clinical, research and training services in the area. Clinical services include providing psychiatry care in consultation model, conducting video evaluation using e-health record, developing SOPs for successful conduct of tele consultations, understanding legal boundaries. The course involves research in digital psychiatry, designing digital biomarkers and developing training modules for primary care doctors. The fellow will also supervise junior and senior residents in digital psychiatry training.
For more details, refer Department's information on NIMHANS Website or contact 080-26995250	

General Guidelines for admission to Postdoctoral Fellowship Courses under Post DM Category	
Departments under which Postdoctoral Fellowship Courses are offered	
Department of Neurology (08 Courses)	
General Eligible Qualification	<i>Eligible qualification</i>
	<i>Sponsored category</i>
	<i>Other requirements</i>
Course duration	
1 year	
Mode of selection	<i>Seats under Institute Support</i>
	<i>Seats under Sponsored Category</i>
Entrance Test	
Qualifying percentage in Entrance Test	
UR/SC/ST/OBC/EWS/PwBD- 50%	
Age criteria (as on the day of course commencement)	
45 Years	
Emoluments	<i>Institute Support</i>
	<i>Sponsored Category</i>
Basic Pay of Rs. 71,800/- per month	
Applicants selected under 'Sponsored category' or who are drawing pay and allowances from their employers, are not eligible for any emoluments from the Institute	
Fees	
Rs. 58,450/- (excluding hostel charges as applicable). For details, refer to 'Fees' section of the prospectus	
Leave	<i>Institute Support</i>
	<i>Sponsored Category</i>
Under 'Institute Support' Category-30 days Earned Leave, 20 days Half Pay Leave, 08 days Casual Leave and 02 days of Restricted Holidays	
Under 'Sponsored Category' - as per the rules of the Employer concerned	
Selection Procedure for PDF course in Neurology	
<ol style="list-style-type: none"> 1. There shall be a single common entrance examination for the eight (08) Post-Doctoral Fellowship (PDF) courses offered by the Department of Neurology. An applicant shall be eligible to apply for a maximum of three (03) courses under one application, subject to payment of a separate prescribed fee for each course. 2. Seat allocation will be based on merit order obtained in the entrance exam. Each course will have a separate merit list. 	

Postdoctoral Fellowship in Neurology Courses with Common Entrance Test

1. Postdoctoral Fellowship in CNS Demyelinating Disorders		
Department		Neurology
Minimum requirements for admission	Eligible Qualification	DM in Neurology OR DNB in Neurology
	Other requirements	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions / Universities can apply under 'Sponsored Category'.
Seats offered		01 seat under 'Institute Support'
		01 seat under 'Sponsored Category'
Program of Study		<p>There is a progressive increase in the number of patients with CNS Demyelinating disorders with greater awareness of the disorder and the availability of various immune modulatory agents resulting in better care and longevity of the patients. The diagnostic and therapeutic armamentarium has increased over the years with better diagnostic facilities and improvement in the immune modulatory agents</p> <p>This warrants greater availability of specialized service by neurologists trained in CNS Demyelinating disorders. This is potentially treatable and almost reversible when medications are given in the initial periods. Keeping in mind our commitment to human resource development in India, the Department of Neurology offers a one-year Post-Doctoral Fellowship (PDF) course in CNS Demyelinating Disorders. We provide supervised training to the post-doctoral fellows in clinical assessment, diagnostic evaluation (including neuroimmunology, neuroimaging) and management of patients with a variety of CNS Demyelinating disorders such as multiple sclerosis, neuromyelitisoptica, optic neuritis, immune-mediated myelitis, MOG-associated disorder, ADEM (acute demyelinating encephalomyelitis), tumefactive demyelination, CNS vasculitis, Sjogrens syndrome, lupus-associated CNS demyelination, Neurosarcoidosis, B12 associated demyelinating neuropathy, etc. Apart from clinical evaluation and management, they also participate in various academic and research activities.</p>
For more details, refer Department's information on NIMHANS Website or contact 080-26995140		

2. Postdoctoral Fellowship in Cognitive Neurosciences		
Department		Neurology
Minimum requirements for admission	Eligible Qualification	DM in Neurology OR DNB in Neurology
	Other requirements	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions / Universities can apply under 'Sponsored Category'.
Seats offered		01 seat under 'Institute Support'
		01 seat under 'Sponsored Category'
Program of Study		<p>The Post-doctoral fellowship (PDF) in Cognitive Neurosciences will afford neurologists training and expertise in the diagnosis and management of cognitive disorders of a wide range of etiologies, including Alzheimer's disease, frontotemporal dementia, post stroke cognitive impairment, autoimmune encephalitis and Other neurological disorders. Integral to the curriculum, the fellow will learn the nuances of cognitive assessment, an in-depth knowledge of advanced imaging and Other diagnostic studies</p>

	<p>relevant to cognitive disorders and current management strategies. A multidisciplinary approach to cognitive neurology will be developed in liaison with allied specialties that include psychiatry, clinical psychology, psychiatry social work and rehabilitation medicine. Through the fellowship, there will be strong encouragement to develop one's own clinical and research interests with access to national and international collaborations. Current areas of research available to fellows encompass neurobiology of neurodegenerative diseases, clinical and biomarker studies and psychosocial interventions for dementia. The aim of the program is to enable the fellow to establish and coordinate a high quality service for patients with cognitive disorders and also conduct meaningful research in the field independently</p>
<p>For more details, refer Department's information on NIMHANS Website or contact 080-26995140</p>	

3. Postdoctoral Fellowship in Epilepsy		
Department		Neurology
Minimum requirement s for admission	<i>Eligible Qualification</i>	DM in Neurology OR DNB in Neurology
	<i>Other requirements</i>	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions / Universities can apply under 'Sponsored Category'.
Seats offered	July Session	01 seat under 'Institute Support'
		01 seat under 'Sponsored Category'
	January Session	01 seat under 'Institute Support'
Program of Study		<p>The objective of the 'Epilepsy' fellowship program is to train neurologists to become 'Epileptologists', possessing specialized knowledge in the evaluation and management of patients with epilepsy, especially drug resistant epilepsy. The fellow would gain knowledge of EEG, Video EEG, and phase 1&2 pre-surgical evaluation including MEG, PET-MRI and invasive EEG recording at a level that is significantly beyond the training and knowledge of a general neurologist. The fellows will not only work in the epilepsy division of Neurology Department but also closely interact with those from the Departments of Neurosurgery, NIIR, Neuropathology, Clinical Psychology, etc. involved in the epilepsy program. They are expected to attend the Epilepsy Clinic(OPD), carry out VEEG reporting; EEG reporting and involve in teaching the residents; intracranial electrode placement and recording; cortical stimulation and mapping and attending preoperative ECoG in OT. The academic work will consist of weekly presentation in the pre- surgical meeting, difficult case (VEEG) analysis, Epilepsy Journal Club, subject seminars and participation in all the common teaching programs of Dept. of Neurology. Emphasis will be on learning /performing scientific work viz. presentation/publication as well. The fellows are expected to maintain a logbook after completion, fellows should be able to independently run epilepsy program and undertake research</p>
<p>For more details, refer Department's information on NIMHANS Website or contact 080-26995140</p>		

4. Postdoctoral Fellowship in Movement Disorders		
Department		Neurology
Minimum requirements for admission	Eligible Qualification	DM in Neurology OR DNB in Neurology
	Other requirements	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions / Universities can apply under 'Sponsored Category'.
Seats offered		July Session
		01 seat under 'Institute Support'
		01 seat under 'Sponsored Category'
Program of Study		January Session
		01 seat under 'Institute Support'
Program of Study		<p>There is a progressive increase in the number of patients with Parkinson's disease, Parkinsonian syndromes and Other movement disorders as a consequence of increase in population as well as better care and greater longevity. This warrants greater availability of specialized service by neurologists trained in movement disorders. Keeping in mind our commitment to human resource development in India, the Department of Neurology offers a one-year Post-Doctoral Fellowship (PDF) course in Movement Disorders. We provide supervised training to the post-doctoral fellows in clinical assessment, diagnostic evaluation (including neuroimaging, electrophysiology and genetics) and management of patients with a variety of common and rare movement disorders including Parkinson's disease and Other Parkinsonian syndromes (such as Progressive Supranuclear palsy, Multiple System Atrophy, Corticobasal Degeneration, etc.), Tremor, Dytsonia, Ataxias, Chorea, etc. The fellows will receive hands-on training in administering Botulinum toxin injection in patients with focal dystonia, hemi facial spasm and a variety of Other conditions. They will also participate in the ongoing functional neurosurgery program for movement disorders (which include lesional surgeries and Deep Brain Stimulation) and have training in electrophysiological evaluation (including transcranial magnetic stimulation) of movement disorders</p>
For more details, refer Department's information on NIMHANS Website or contact 080-26995140		

5. Postdoctoral Fellowship in Neuromuscular Disorders		
Department		Neurology
Minimum requirements for admission	Eligible Qualification	DM in Neurology OR DNB in Neurology
	Other requirements	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions / Universities can apply under 'Sponsored Category'.
Seats offered		July Session
		01 seat under 'Institute Support'
		01 seat under 'Sponsored Category'
Program of Study		January Session
		01 seat under 'Institute Support'

Program of Study	The Post-Doctoral Fellow (PDF) in Neuromuscular Disorders will get an opportunity to strengthen his/her clinical acumen in myology and neuropathic disorders with a focused approach. Apart from attending the regular OPDs and wards, the fellow will have a unique opportunity to attend the monthly multi-disciplinary Neuro-muscular Disorders Clinic, which caters to patients with a variety of inherited neuromuscular disorders and provide clinical, therapeutic, rehabilitative and psychosocial interventions and genetic and prenatal counselling. The one-year PDF course will encompass training in: (a) advanced electrophysiology techniques including SFEMG, (b) advanced imaging techniques and their interpretation such as muscle MRI, USG of nerves and muscles, (c) clinicopathologic correlations with muscle and nerve biopsy, and (d) techniques and histopathologic interpretations including Western Blot. The fellow will gain newer insights into genetically-mediated nerve and muscle disorders and participate in genetic counselling
For more details, refer Department's information on NIMHANS Website or contact 080-26995140	

6. Postdoctoral Fellowship in Neuropathy

Department		Neurology
Minimum requirements for admission	Eligible Qualification	DM / DNB/DrNB in Neurology
	Other requirements	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions / Universities can apply under 'Sponsored Category'.
Seats offered		01 seat under Institute Support 01 seat under 'Sponsored Category'
Program of Study	Community prevalence of neuropathy is increasing due to rise in the ageing population, longer survival of patients with systemic diseases and cancer, as well as the increasing use of chemotherapy and other drugs that have adverse effects on peripheral nerves. A substantial proportion have treatable or preventable causes of neuropathy. Many patients are misdiagnosed by doctors due to a lack of knowledge and/or experience. There is growing demand for skills in the evaluation and treatment of patients with neuropathy to improve outcomes and quality of life. The aim of this fellowship programme is to develop quality human resources in the field of 'Peripheral Neuropathy' by imparting a high standard of training. This will facilitate comprehensive patient care and enable the fellow to conduct clinical/applied research in this field. The fellow will possess specialized knowledge in performing electrophysiological testing, high-resolution ultrasound of peripheral nerves, Sudoscan, and other quantitative testing in patients with peripheral neuropathy, beyond the training and knowledge of a general neurologist. The fellow will be actively involved in the clinical evaluation, treatment, and follow-up of patients with various forms of neuropathies in the outpatient clinic (including the Neuropathy Clinic), as well as in the emergency and inpatient settings, by adopting a multimodal diagnostic approach, including electrophysiological, immunological, imaging, and genetic testing, among Others.	
For more details, refer Department's information on NIMHANS Website or contact 080-26995140		

7. Postdoctoral Fellowship in Paediatric Neurology

Department	Neurology
Eligible Qualification	DM in Neurology / Paediatric Neurology OR DNB in Neurology / Paediatric Neurology
Seats offered	01 seat under 'Institute Support'
Program of Study	Paediatric Neurology Services is a quaternary/tertiary specialty service which caters to the needs of infants, children and adolescents (< 18 years) with neurological problems. The student who gets enrolled in the post-doctoral fellowship (PDF) program would be trained in the diagnosis, management and clinical research in various fields of paediatric neurology including neurodevelopmental disorders (Cerebral Palsy, Autism, ADHD), neurometabolic and mitochondrial disorders, paediatric epilepsies, neurodegenerative disorders (leukoencephalopathies), storage disorders, movement disorders, neuromuscular disorders, immune mediated disorders, syndromic intellectual disability, neurocutaneous disorders, neurogenetics, and CNS/spine malformations. The unique features of manifestations of disease in children and adults, and pharmacotherapy in children would be emphasized during the training period. Apart from attending the outpatient and inpatient services and regular academic programs, the fellow would be trained to read paediatric EEGs and perform various electrophysiological procedures
For more details, refer Department's information on NIMHANS Website or contact 080-26995140	

8. Postdoctoral Fellowship in Stroke

Department	Neurology
Eligible Qualification	DM in Neurology OR DNB in Neurology
Seats offered	01 seat under 'Institute Support'
Program of Study	Stroke is one of the leading causes of death and disability worldwide including India. NIMHANS gets a large turnover of acute and chronic stroke patients every day. There is an exciting phase of treatment options available for acute ischemic strokes and secondary stroke prevention. We conduct all types of acute stroke interventions (intravenous and mechanical), including intervention in wake up period. NIMHANS houses an organized stroke unit, trained faculty, advanced imaging facilities and allied specialties. The Post-Doctoral Fellow (PDF) in Stroke will get the opportunity to actively participate in the selection of patients for acute stroke interventions including finer details of clinic-radiological interpretations of multimodal imaging data, opportunities to learn neurovascular sonology, opportunities for fast tracking application for stroke intervention career fellowship through various external foundations. The fellow will also have an opportunity to work on secondary stroke prevention, teach DM neurology residents and participate in various stroke trials.
For more details, refer Department's information on NIMHANS Website or contact 080-26995140	

General Guidelines for Admission to Ayurveda Vachaspati (MD – Ayurveda) Manovigyan Evam Manasa Roga course		
Department in which MD Course is offered	Integrative Medicine	
General Eligible Qualification	<i>Minimum qualification for admission</i>	Bachelor of Ayurvedic Medicine & Surgery (BAMS) OR Any Other graduate Course in Ayurveda as prescribed in the II Schedule of Indian Medicine Central Council Act 1970
	<i>Other requirements</i>	Eligible Applicants can apply under 'Karnataka Domicile Category'
Course duration	3 years	
Mode of Selection	Entrance Test + Verification of Original Certificates on the day of admission	
Qualifying % in Entrance Test	UR/ OBC/ EWS - 50% SC/ST/PwBD – 45%	
Age criteria (as on the day of course commencement)	32 Years	
Emoluments	JR: Basic Pay of Rs.56,100 for 1 st year, Rs.57,800 for 2 nd year, Rs.59,500 for 3 rd year	
Fees	Rs. 73,250/- (excluding hostel charges as applicable). For details refer to 'Fees' Section of the prospectus	
Leave	Under 'Institute Support' Category- 30 days Annual Leave for 1 st year and 36 days Annual Leave for 2 nd and 3 rd years respectively	

Ayurveda Vachaspati (MD – Ayurveda) Manovigyan Evam Manasa Roga		
Department	Integrative Medicine	
Minimum requirements for admission	<i>Eligible Qualification</i>	Bachelor of Ayurvedic Medicine & Surgery (BAMS) OR Any Other graduate Course in Ayurveda as prescribed in the II Schedule of Indian Medicine Central Council Act 1970
	<i>Other requirements</i>	Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions / Universities can apply under 'Sponsored Category'.
Seats offered	04 seats under 'Institute Support'	
Program of Study	The MD - Ayurveda program of Manovigyan and Manasa Roga aims to train the post-graduate student in a deeper understanding of manas (mind) and manorogas (mental illnesses) primarily with scientific perspectives of Ayurveda, along with Yogic and Modern biomedical perspectives. He/she will be also trained in the comprehensive management of the above, primarily with Ayurveda with essentials of Yoga and Modern Psychiatry. He/she will be empowered to practice Ayurveda manoroga chikitsa and Yoga therapies in the management of mental illnesses and equip with skills to understand the diagnosis and clinical implications of modern biomedical management, effective referral to modern psychiatry, and integrative medical practice (Ayurveda, Yoga, and Modern biomedical management)	
Awards	Best Outgoing Student Award for Ayurveda Vachaspati (MD – Ayurveda) Manovigyan Evam Manasa Roga Course	
For more details, refer Department's information on NIMHANS Website or contact 080-26995323		

General Guidelines for Admission to Master's in Clinical Psychology and Master's in Psychiatric Social Work Programme		
Departments in which Master's Courses are offered		
Department of Clinical Psychology		
Department of Psychiatric Social Work		
General Eligible Qualification	<i>Eligible qualification</i>	Qualification Degree as specified for the course concerned.
	<i>Sponsored / Deputed category</i>	Indian National Applicants who are/have been sponsored/deputed employees of Government of India/State Government Institutions/Universities and Public Sector Undertakings.
	<i>Other requirements</i>	Applicants should have pursued and awarded qualification from an Institution/University recognized by UGC (as applicable).
Duration of course		2 years
Mode of selection	<i>Seats under Institute Support</i>	Entrance Test + Verification of Original Certificates on the day of admission.
	<i>Seats under Sponsored / Deputed category</i>	
Qualifying percentage in Online Entrance Test		UR/OBC/EWS- 50% SC/ST/PwBD-45%
Age criteria for Eligible Qualification (as on the day of course commencement)		35 Years
Emoluments	<i>Institute Support</i>	Rs. 25,000/- per month + Rs. 15,000/- as Contingency Grants per annum.

Master's in Psychiatric Social Work (MPSW)#	
Program of Study	Psychiatric Social Work is a specialized branch of social work focusing on psychosocial practice, training, and research in mental health. The Master's in Psychiatric Social Work is a two-year full-time programme integrating academic learning, clinical training, and research. It is open to candidates with a Master's in Social Work or a four-year Bachelor's in Social Work (Honours) from a UGC-recognized university, preferably with specialization in medical or psychiatric social work. The curriculum provides strong multidisciplinary exposure in behavioural sciences, basic sciences, and neurosciences. Over 24 months, trainees receive supervised postings in adult psychiatry, child and adolescent psychiatry, family psychiatry, neuro- and psychiatric rehabilitation, community psychiatry, addiction medicine, neurology, neurosurgery, and behavioural medicine. Training emphasizes psychosocial assessment, therapeutic interventions, community work, and research, preparing graduates for professional roles in clinical, academic, training, and research settings nationally and internationally.
Awards	<ol style="list-style-type: none"> 1. Dr. M. V. Govindaswamy Memorial Prize for scoring highest marks in Master's in Psychiatric Social Work 2. Radhakrishnan – Rukmini Memorial, Prof. R. Parthasarathy Award for the Best Outgoing student for Master's in Psychiatric Social Work

Awards	Dr. R. N. Moorthy Award for scoring highest marks in M.Sc. Psychiatric Nursing	
For more details, refer Department's information on NIMHANS Website or contact 080-26995229		

M.Sc. in Neuroscience Nursing		
Department	Nursing	
Minimum requirements for admission	Eligible Qualification	B.Sc. Nursing OR B.Sc. Hons. Nursing OR Post Basic B.Sc. Nursing.
	Other requirements	a. The candidate should be a Registered Nurse and Registered Midwife or equivalent with any State Nursing Registration Council b. The candidate should have studied B.Sc. Nursing/B.Sc. Hons. Nursing/Post Basic B.Sc. Nursing in an institution which is recognized by INC c. Minimum of 1-year experience after Basic B.Sc. Nursing as on the day of admission d. Minimum of one year of work experience prior to or after post basic B.Sc. Nursing as on the day of admission
Seats offered	All India Category	09 seats under 'Institute Support'

	<i>Karnataka Domicile Category</i>	03 seats under 'Institute Support'
	<i>Sponsored Category</i>	03 seats under 'Sponsored from NIMHANS' <i>The selection will be based on inter-se seniority subject to qualifying in entrance examination, irrespective of marks secured in entrance test</i>
Program of study		The M.Sc. in Neuroscience Nursing is a two-year course designed to develop expertise and in-depth understanding of Neuroscience Nursing. The candidates admitted to the course will be trained in clinical and theoretical aspects of Neuroscience Nursing. The course aims at preparing the students to take up leadership roles in service, education and research in the area of Neuroscience with special emphasis on theory integrated with clinical practice in the multidisciplinary team. The students will be posted to Neurology and Neurosurgery units, they will have orientation to Neuro Critical Care, Neuroradiology and Neuro-anaesthesia. The course work will also include active involvement in seminars/presentations/systematic reviews of selected research variables, project and Dissertation work, etc
Awards		Best Outgoing Student Award for scoring highest marks in M.Sc. Neuroscience Nursing
For more details, refer Department's information on NIMHANS Website or contact 080-26995229		

M.Sc. in Yoga Therapy (Mental Health & Neurosciences)

Department		Integrative Medicine
Minimum requirements for admission	Eligible Qualification	B.Sc. Yoga / BNYS Graduate from a recognized University or Institute of National Repute OR Graduate degree in Science/ Medical / Paramedical courses with one Year Diploma or Equivalent in Yoga Science. Foreign Nationals should have minimum 200 Hours certification in Yoga from a recognized Yoga Institution / Association or Federation.
	Other requirements	Applicants who are employees of Government of India/State Government Institutions / Universities and Public Sector Undertakings and have been sponsored/ deputed to pursue course at NIMHANS can apply under 'Sponsored category'.
Seats offered	<i>All India Category</i>	03 seats under 'Institute Support'
	<i>Karnataka Domicile Category</i>	01 seat under 'Institute Support'
	<i>Sponsored Category</i>	02 seats under 'Sponsored/ Foreign National Category'
Program of Study		The overall aim of the department is to integrate Ayurveda, Yoga and Modern biomedicine in prevention and treatment of neuropsychiatric disorders. The main goal of MSc Yoga Therapy (Mental Health and Neurosciences) is career development opportunities in the area of Yoga therapy for mental health and neurosciences. MSc in Yoga Therapy focuses on training individuals who have basic knowledge of yoga (either bachelor's degree in yoga or those with diploma in yoga therapy after medical or paramedical degree) to enrich their understanding of yoga and applicability of its treatment principles for common psychiatric and neurological disorders. This course should enable the student to work in liaison with consultants in the field of psychiatry and neurology and deliver quality evidence-based yoga therapy to the patients as per the clinical needs.
Awards		Best Outgoing Student Award for M.Sc. in Yoga Therapy
For more details, refer Department's information on NIMHANS Website or contact 080-26995323		

M.Sc. in Neurosciences		
Department	Basic Neurosciences	
Eligible Qualification	Bachelor's Degree in any stream of Science/Engineering/Medicine & Surgery (MBBS)/Alternate Medicine (AYUSH)/Dental Surgery (BDS)/Pharmacy/Pharmacology/Physiotherapy/Technology/Technical Stream/Allied Health Sciences from Recognised University/Institute.	
Seats offered	All India Category	11 seats under 'Institute Support'
	Karnataka Domicile Category	04 Seats under 'Institute Support'
Program of study	<p>Human resources with requisite skills and competencies are integral for the overall development and to build a self-reliant nation. The M.Sc Neuroscience program is designed to develop human resources in the area of Neuroscience, as there is a shortage of trained personnel with proficiency in this discipline for supporting advanced research in Neuroscience.</p> <p>The program is of multidisciplinary nature involving the Departments of the Basic Sciences Division (Depts. Biophysics, Biostatistics, Basic Neurosciences, Clinical Psychopharmacology and Neurotoxicology, Human Genetics, Neurochemistry, Neurophysiology, Neuromicrobiology and Neurovirology) of the Institute.</p>	
Awards	<ol style="list-style-type: none"> 1. Dr. R. N. Moorthy Award for scoring highest marks in M. Sc. In Neuroscience 2. Smt. Savithamma and Sri. Venkateshiah Memorial Award for scoring 2nd highest marks in M.Sc. Neuroscience 	

General Guidelines for Admission to Postgraduate Diploma Course in Neurochemistry		
Department	Neurochemistry	
General Eligible Qualification	Minimum requirements for admission	Qualification degree as specified for the course concerned.
	Other requirements	Applicants should have pursued and awarded qualification from an Institution/University recognized by UGC.
Course duration	01 year	
Mode of selection	Entrance test + verification of original certificates on the day of admission	
Age criteria (as on the day of course commencement)	32 years	
Emoluments	Under 'Institute Support': Rs. 15,000/- per month.	
Fees	Rs. 20,750/- (excluding hostel charges as applicable). For details, refer to 'Fees' section of the Prospectus.	
Leave	30 days of Annual Leave. Any Other form of leave availed shall be 'without emoluments'.	

Postgraduate Diploma in Clinical Biochemistry		
Department		Neurochemistry
Eligible Qualification		M.Sc. in Biochemistry
Seats offered	All India Category	03 seats under 'Institute Support'
	Karnataka Domicile Category	01 seat under 'Institute Support'
Program of Study		The main purpose of the program is to equip the candidates with practical and analytical skills in clinical biochemistry. Accordingly, it comprises theory classes (30 hours) on principles of techniques, automation, quality management and interpretation of laboratory reports. The practical training involving hands-on analysis of clinical samples (1790 Hours) includes routine metabolic disorder work-up and tandem mass spectrometry for clinical diagnosis. Annual examination will be conducted at the end of the program.
For more details, refer Department's information on NIMHANS Website or contact 080-26995162		

General Guidelines for Admission to Postgraduate Diploma in Medical Devices Technology Course		
Department		Neurology & Biomedical Engineering
General Eligible Qualification	Minimum requirements for admission	Qualification degree as specified for the course concerned.
	Other requirements	Applicants should have pursued and awarded qualification from an Institution/University recognized by AICTE/UGC/NMC/PCI.
Course duration		01 year
Mode of selection		Entrance Test (70%) + Interview (30%) Subject to verification of original certificates on the day of Interview.
<i>Mere qualifying in the Entrance Test and Interview does not entitle admission to the course. Admission is subject to satisfying all the eligibility criteria as mentioned in this Admission notice.</i>		
Age criteria (as on the day of course commencement)		30 years
Emoluments		Not entitled for any kind of emoluments
Fees		Rs. 86,300/- (excluding hostel charges as applicable).
Leave		30 days of Annual Leave.

Postgraduate Diploma in Medical Devices Technology		
Department		Neurology & Biomedical Engineering
Eligible Qualification		B.E. / B. Tech (Biomedical, Biotechnology, Medical Electronics, Electronics Engineering, Instrumentation, Mechanical, Mechatronics, IT, Computer Science) OR MBBS OR B. Pharm. At least 60% aggregate marks or 6.75 CGPA on a 10-point scale in the qualifying degree SC/ST/PWBD candidates: Relaxation to 55% or 6.25 CGPA.
Seats offered	All India Category	15 seats
	Karnataka Domicile Category	05 seats

Program of Study	The Program has been designed with a focus on Industry oriented Medical Devices skill development and Real time problem solving. The program aims at bridging the gap between the medical and engineering fields by providing a common platform for collaboration on training, research and new product development.
For more details, refer Department's information on NIMHANS Website or contact 080-26995700/5140	

General Guidelines for Admission to Certificate Course

General eligibility	<i>Minimum qualification for admission</i>	Qualification degree as specified for the course concerned
	<i>Sponsorship Category</i>	Indian National Candidates who are/have been sponsored/deputed employees of Government of India/State Government Institutions/ Universities and Public Sector Undertakings.
	<i>Other criteria</i>	Candidates should have pursued and awarded qualification from an institution/University recognized by UGC / Medical Council of India.
Course duration		1 year
Mode of selection		Committee constituted by the Director shall consider submitted Online Application Forms, for selection and admission of candidates.
Age criteria (as on the day of course commencement)		40 Years
Emoluments	<i>Institute Support</i>	Candidates selected under 'Institute Support': Rs. 2,000/- per month.
	<i>Sponsored Category</i>	Candidates selected under 'Sponsorship Category' or who are drawing pay and allowances from their employers, are not eligible for any emoluments from Institute.
Fees		Rs. 7,950/-. For details refer to 'Fees' Section of the Prospectus.
Leave		30 days of Annual Leave

Certificate Course in Neuropathology Technology

Department	Neuropathology
Eligibility	B.Sc. with MLT OR B.Sc. with Life Sciences or DMLT (with one-year experience)
Seats offered	02 seats under 'Institute Support'
Program of Study	The program provides theoretical and practical training in Neuropathology techniques, including specialised histology stains, snap freezing, cryosectioning, muscle enzyme histochemistry, immunochemistry, autopsy sample processing and Electron Microscopy. Knowledge and skills are imparted to train as competent Histopathology Technologists with specialised expertise in Neuropathology Techniques.
For more details, refer to the relevant department info on NIMHANS website or contact 080-26995130	

Admissions through Institute of National Importance (INI) Common Entrance Test (INICET) for MD in Psychiatry, DM in Neurology (Post MBBS Category) and M.Ch. in Neurosurgery (Post MBBS Category) courses

General Guidelines for Admission to MD Courses (through INI-CET)		
Department in which MD Courses are offered		
Psychiatry		
Neurological Rehabilitation		
General Eligible Qualification	Eligible Qualification	Qualification Degree as specified for the course concerned.
	For Applicants applying under 'Sponsored category'	a. Indian National Applicants who are/have been sponsored/deputed employees of Government of India/State Government Institutions/Universities and Public Sector Undertakings can apply under 'Sponsored Category'
	Other requirements	a. Applicants should have pursued and awarded qualification from an Institution/University recognized by Medical Council of India b. Applicants belonging to Domicile of Karnataka can also apply under 'Karnataka Domicile Category' c. Applicants under the Domicile category of the following states: Arunachal Pradesh, Chhattisgarh, Jammu & Kashmir, Manipur, Meghalaya, Mizoram, Nagaland, Sikkim, Tripura & Uttarakhand, can also apply under 'North Eastern Domicile Category'
Course duration		3 years (for all candidates irrespective of DPM or MBBS qualification)
Mode of selection	Seats under Institute Support	As per INI-CET Norms
	Seats under Sponsorship/Deputation Category	
Age criteria (as on the day of course commencement)		For applicants applying under: a. 'General/Unreserved Category' - 32 Years b. 'OBC Category' - 35 Years c. 'SC/ST Category' - 37 Years d. 'Sponsored/Deputed Category' - 45 Years
Emoluments	Institute Support	JR: Basic Pay of Rs.56,100 for 1 st year, Rs.57,800 for 2 nd year, Rs.59,500 for 3 rd year.
	Sponsored Category	Applicants selected under 'Sponsored category' or who are drawing pay and allowances from their employers, are not eligible for any emoluments of this Institute.
Fees		Rs. 73,250/- (excluding hostel charges as applicable). For details refer to 'Fees' Section of the prospectus.
Leave		Under 'Institute Support' Category- 30 days Annual Leave for 1 st year and 36 Annual Leave for 2 nd and 3 rd years respectively. Leaves cannot be carried forward for the next Academic year

MD in Psychiatry			
Minimum requirements for admission	Eligible Qualification	MBBS OR DPM	
	Other Requirements	a. Indian National Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsorship/Deputation Category' in 'All India Category'. b. Indian National Applicants who are permanent employees sponsored/deputed by the Karnataka State Government or Public Sector undertakings of Karnataka State Government or Institutions/Universities can apply under 'Sponsorship/Deputation Category' in 'Karnataka Domicile Category'.	
Seats offered	All India Category	July Session	25 seats under 'Institute Support' 01 seat under 'Sponsored category' *
	Karnataka Domicile Category	July Session	08 seats under 'Institute Support' 01 seat under 'Sponsored category' *
	North Eastern Domicile Category	July Session	06 seats under 'Institute Support' **
	*If there are no applicants under 'Sponsored Category', seat will go to the 'Unreserved Category' under the 'Institute Support'.		
	**The seats will be awarded solely on the basis of overall merit and not state-wise. For details, kindly refer to 'Seat Matrix' section of this Prospectus		
Program of Study	Training of Postgraduate students is centered on a biopsychosocial framework of clinical care, coupled with hands-on research and academic activities. This not only enables the trainees to excel in providing high-quality clinical services, but also provides them with technical acumen to pursue independent research, teach and lead in the field of mental health and neurosciences. The clinical services at the Department of Psychiatry, NIMHANS, are organized into outpatient and inpatient services under general adult psychiatry (6 clinical units), addiction medicine, psychiatric rehabilitation services and community psychiatry. There is active liaison with the Department of Child & Adolescent Psychiatry, and a well-established psychotherapy supervision program. Regular assessments and feedback form part of a 360 degree formative assessment.		
Awards	1. Dr. Frank Noronha Platinum Jubilee Award for the Best Outgoing Resident in Psychiatry 2. Dr. D. L. N. Murthy Rao Silver Jubilee Award for the Topper in MD Psychiatry		
For more details, refer Department's information on NIMHANS Website or contact 080-26995250			

MD in Physical Medicine and Rehabilitation		
Department	Neurological Rehabilitation	
Minimum requirements for admission	Eligible Qualification	Post MBBS
	Other Requirements	Indian National Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsorship/Deputation Category'.
Seats offered	02 seats under 'Institute Support'	
	01 seat under 'Sponsored / Deputed category'	
No emoluments for candidates selected for seat against vacant seat of Sponsored Category.		

MD in Physical Medicine and Rehabilitation

Program of Study	To ensure that the student after obtaining this MD degree are able to practice Physical Medicine and Rehabilitation independently and to train potential teachers and specialists in Physical Medicine & Rehabilitation.
For more details, refer Department's information on NIMHANS Website or contact 080-26995284	

General Guidelines for Admission to DM Neurology Course under Post MBBS Category

General Eligible Qualification	Eligible Qualification	Degree as specified for the course concerned.
	For applicants applying under 'Sponsored category'	Indian National Applicants who are/have been- i. Permanent employees of NIMHANS sponsored to pursue course ii. Permanent employees of Government of India / State Government Institutions / Universities and Public Sector Undertakings, sponsored to pursue course at NIMHANS
	Other requirements	Applicants should have pursued and been awarded qualification from an Institution/University recognized by Medical Council of India (Currently National Medical Commission).
Course duration	6 years for Post MBBS (3 years as Junior Resident and 3 years as Senior Resident).	
Mode of Selection	As per INI-CET Norms	
Age Criteria (as on day of course commencement)	32 years for applicants with medical undergraduate (MBBS) qualification	
	No reservation of seats based on OBC/SC/ST/PWBD/EWS, thus no age relaxation.	
Emoluments	As Junior Resident: Basic Pay of Rs.56,100 for 1 st year, Rs.57,800 for 2 nd year, Rs.59,500 for 3 rd year.	
	As Senior Resident: Basic Pay of Rs.67,700 for 4 th year, Rs.69,700 for 5 th year, Rs.71,800 for 6 th year.	
Fees	Rs. 91,150/- (excluding hostel charges as applicable). For details, refer to 'Fees' section of the prospectus.	
Leave	Annual Leave of 30 days for 1 st Year and 36 Days for 2 nd & 3 rd Year, 30 days Earned Leave, 8 Days Casual Leave, 20 days Half Pay Leave and 2 days of Restricted Holidays for 4 th , 5 th and 6 th Year.	

DM in Neurology (Post MBBS Category)

Department	Neurology
Eligible Qualification	MBBS
Course duration	6 years (3 years as Junior Resident and 3 years as Senior Resident).
Seats offered	04 seats under 'Institute Support'
Program of Study	After the initial 6 months of posting in Neurology, the residents will be posted to Bangalore Medical College for training in general medicine, pediatrics and allied medical specialties. After successful completion of this training and passing DM-Part 1 examination, they will join the Department of Neurology at PGY3 level. In the post-MD DM course, the students will participate in a 3-year Senior Residency Program and join the DM course at PGY3 level. During residency in Neurology, the students will receive training in neurological examination, diagnostic and therapeutic approaches to common and rare, acute and chronic neurological disorders, under the direct supervision of neurology faculty. The residents are posted in different clinical units of neurology, outpatient and casualty services and also receive training in electrophysiology, neuroradiology, neuropathology, neurosurgery, clinical psychology, adult and child and adolescent psychiatry.

	They will also get opportunity to spend time in sub-specialties of neurology such as stroke, epilepsy, neuromuscular disorders, movement disorders, cognitive neurosciences and paediatric neurology. Academic assignments include clinical bedside presentations, journal clubs, seminars, etc. and research assignments include submission of a dissertation (which is required as a partial fulfilment for the award of DM degree).
Prom of Study	. The residents are required to successfully pass DM-Part 2 examination held at mid-PGY4 level and DM Part- 3 examination conducted at the end of PGY5. In addition, the post-MBBS candidates are required to complete one year of Senior Residency (PGY6) after DM-Part 3 examination to be eligible for the award of DM degree.
Awards	<ol style="list-style-type: none"> 1. Silver Jubilee award for the Best outgoing student in DM Neurology 2. Dr. Anisya Vasanth Memorial Award for the Best Post-Graduate Resident in Neurology
For more details, refer Department's information on NIMHANS Website or contact 080-26995140	

General Guidelines for Admission to M.Ch. Course (Post MBBS Category)

Department under which M.Ch. Course is offered	Neurosurgery	
General Eligibility	<i>Eligible Qualification</i>	Qualification degree as specified for the course concerned.
	<i>For Applicants applying under 'Sponsored category'</i>	Applicants who are/have been permanent employees of Government of India/State Government Institutions/ Universities and Public Sector Undertakings, sponsored to pursue course at NIMHANS should apply under 'Sponsored category'.
	<i>Other requirements</i>	Applicants should have pursued and been awarded qualification from an Institution/University recognized by Medical Council of India
Course Duration	6 years (3 years as Junior Resident and 3 years as Senior Resident)	
Mode of Selection	As per INI-CET Norms	
Age criteria (as on the day of course commencement)	32 years for applicants with medical undergraduate (MBBS) qualification	
	No reservation of seats based on OBC/SC/ST/PWBD/EWS, thus no age relaxation.	
Emoluments	For Junior Resident: Basic Pay of Rs.56,100 for 1 st year, Rs.57,800 for 2 nd year, Rs.59,500 for 3 rd year.	
	For Senior Resident: Basic Pay of Rs.67,700 for 4 th year, Rs.69,700 for 5 th year, Rs.71,800 for 6 th year.	
Fees	Rs.91,150/- (excluding hostel charges as applicable). For details, refer to 'Fees' section of the prospectus.	
Leave	Annual Leave of 30 days for 1 st Year and 36 Days for 2 nd & 3 rd Year, 30 days Earned Leave, 8 Days Casual Leave, 20 days Half Pay Leave and 2 days of Restricted Holidays for 4 th , 5 th and 6 th Year	

M.Ch. in Neurosurgery (Post MBBS Category)		
Department	Neurosurgery	
Eligible Qualification	MBBS	
Seats offered	<i>July Session</i>	02 seats under 'Institute Support'
	<i>January Session</i>	02 seats under 'Institute Support'
Program of Study	During the course of the residency program, candidates will be trained to gain sound theoretical knowledge of neurosurgery. An active surgical training program ensures that candidates pass out of the Institute as full-fledged neurosurgeons ready to practice in their chosen subspecialty areas. Students are trained to operate on all varieties of emergency and elective neurosurgical procedures on the brain and spinal cord. Training is imparted in handling of surgical microscopes, drills, micro-instruments during the course. Candidates have to submit a thesis and are encouraged to pursue advanced training following the M.Ch. course.	
Awards	Silver Jubilee award for the Best outgoing student in M.Ch. Neurosurgery	
For more details, refer Department's information on NIMHANS Website or contact 080-26995403		

Admissions through Institute of National Importance (INI) Super Specialty Entrance Test (INI-SSET) for DM (Post MD/DNB) & M.Ch (Post MS / DNB)

		Department	Course offered
Departments under which Super-Specialty programs are offered	DM Courses	Child & Adolescent Psychiatry	DM in Child & Adolescent Psychiatry
		Neuroanaesthesia and Neurocritical Care	DM in Neuroanaesthesia and Neurocritical Care
		Neuroimaging and Interventional Radiology	DM in Neuroimaging and Interventional Neuroradiology
		Neurology	a. DM in Neurology b. DM in Pediatric Neurology
		Neuropathology	DM in Neuropathology
		Psychiatry	a. DM in Geriatric Psychiatry b. DM in Addiction Psychiatry c. DM in Forensic Psychiatry
	M.Ch. Course	Neurosurgery	M.Ch. in Neurosurgery

General Guidelines for Admissions to DM Courses

General Eligible Qualification	<i>Eligible Qualification</i>	Degree as specified for the course concerned.
	<i>For Applicants applying under 'Sponsored category'</i>	Indian National Applicants who are/have been- i. Permanent employees of NIMHANS sponsored to pursue course ii. Permanent employees of Government of India / State Government Institutions / Universities and Public Sector Undertakings, sponsored to pursue course at NIMHANS
	<i>Other requirements</i>	Applicants should have pursued and been awarded qualification from an Institution/University recognized by Medical Council of India (Currently National Medical Commission).
Course duration		03 Years
Mode of Selection		As per INI-SSET Norms

Age Criteria (as on day of course commencement)	'Under MD/DNB Category' - 37 years 'Sponsored/Deputed Category' - 45 Years	
	No reservation of seats based on OBC/SC/ST/PwBD/EWS, thus no age relaxation for the same.	
Emoluments	<i>Post MD/DNB Category</i>	Basic Pay of Rs.67,700 for 1 st year, Rs.69,700 for 2 nd year, Rs.71,800 for 3 rd year SR
	<i>Sponsored Category</i>	Applicants selected under 'Sponsored category' or permanent employees of Government of India/State Government Institutions/Universities and Public Sector Undertakings, sponsored to pursue course at NIMHANS are not eligible for any emoluments from Institute.
Fees	Rs. 81,250/- (excluding hostel charges as applicable). For details, refer to the 'Fees' section of the prospectus.	
Leave	30 days Earned Leave, 20 days Half Pay Leave, 8 days Casual Leave and 2 days Restricted Holiday per year for Senior Resident.	

DM in Child & Adolescent Psychiatry

Department	Child & Adolescent Psychiatry	
Minimum requirements for admission	<i>Eligible Qualification</i>	MD in Psychiatry OR DNB in Psychiatry
	<i>Other Requirements</i>	Indian / Foreign National Applicants who are permanent employees sponsored by the State / Central Government or Public Sector undertakings of State / Central Government or Institutions / Universities can apply under Sponsored Category.
Seats offered	02 seats under 'Institute Support'	
	02 seats under 'Sponsored Category'	
Program of Study	DM (Child and Adolescent Psychiatry) course at NIMHANS is focused on enabling the trainees to acquire necessary knowledge, skills and practicing attitudes that make them leaders in the field of child and adolescent mental health. Trainees work as full time Senior Residents in the out-patient, in-patient and emergency settings. They supervise Junior Residents pursuing their MD (Psychiatry), M.Phil. trainees from Clinical Psychology and Psychiatric Social Work. The curriculum for this course lays emphasis on clinical, academic, research and outreach activities	
Awards	Dr. M.V. Govindaswamy Memorial Award for the Best Outgoing Student in DM Child & Adolescent Psychiatry	
For more details, refer Department's information on NIMHANS Website or contact 080-26995351		

DM in Neuroanaesthesia & Neurocritical Care

Department	Neuroanaesthesia & Neurocritical Care	
Minimum requirements for admission	<i>Eligible Qualification</i>	MD in Anaesthesiology OR DNB in Anaesthesiology
	<i>Other requirements</i>	Indian National Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'.
Seats offered	July Session	04 seats under 'Institute Support' 02 seats under 'Sponsored Category'
	January Session	04 seats under 'Institute Support'
Program of Study	The course envisages training the candidates in the following areas: i. Basic Sciences related to Neuroanaesthesia ii. Clinical Neuroanaesthesia for Neurosurgery	

DM in Neuroanaesthesia & Neurocritical Care	
	iii. Anaesthesia for Neuroradiological procedures including Interventional Neuroradiology and Magnetic Resonance Imaging iv. Neuromedical and Neurosurgical Intensive Care v. Principles of Research in Neuroanaesthesia vi. Experience in Handling Modern Anaesthesia and Intensive Care Equipment
Awards	Dr. Usha Punja Award for the Best outgoing student in DM Neuroanaesthesia & Neurocritical Care
For more details, refer Department's information on NIMHANS Website or contact 080-26995415	

DM in Neuroimaging and Interventional Neuroradiology		
Department	Neuroimaging and Interventional Radiology	
Minimum requirements for admission	<i>Eligible Qualification</i>	MD in Radiodiagnosis OR DNB in Radiodiagnosis
	<i>Other requirements</i>	Indian National Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'.
Seats offered		04 seats under 'Institute Support'
		01 seat under 'Sponsored Category'
Program of Study	The DM course in Neuroimaging and Interventional Radiology is a 3-year course. During the first year, the candidate will be posted on a rotation basis in the modalities of CT/CT SPECT/MRI/MR PET/DSA for 11 months. Basic orientation to neuroradiology is provided during the initial months. Later, the candidate will be extensively trained to acquire adequate skills in performing all neuro-radiological procedures. The candidate will be posted to the Departments of Neuroanaesthesia and Neuropathology for 15 days each to acquire basic knowledge of these disciplines. During the second year, the candidate will receive hands-on training in interventional neuroradiology under supervision, and posted to the Departments of Neurology and Neurosurgery for a period of one month each to gain basic skills and broaden exposure in the respective fields. The third year will be spent in acquiring specialized skills in interventional radiological procedures and MRI.	
Awards	Golden Jubilee Award for the Best outgoing student in DM Neuroimaging and Interventional Neuroradiology	
For more details, refer Department's information on NIMHANS Website or contact 080-26995424		

DM in Neurology (Post MD / DNB Category)		
Department	Neurology	
Minimum requirements for admission	<i>Eligible Qualification</i>	MD in Internal (General) Medicine/ Paediatrics OR DNB in Internal (General) Medicine / Paediatrics
	<i>Other Requirements</i>	Indian National Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'.
Course duration	03 years for Post MD/DNB (03 years as Senior Resident)	
Seats offered	July Session	05 seats under 'Institute Support'
		01 seat under 'Sponsored Category' If there are no applicants under 'Sponsored Category' seat will go to Institute Support in 'Post MD/DNB Category'.

DM in Neurology (Post MD / DNB Category)	
	<i>January Session</i> 10 seats under 'Institute Support'
Program of Study	After the initial 6 months of posting in Neurology, the residents will be posted to Bangalore Medical College for training in general medicine, paediatrics and allied medical specialities. After successful completion of this training and passing DM- Part 1 examination, they will join the Department of Neurology at PGY3 level. In the post-MD DM course, the students will participate in a 3-year Senior Residency Program and join the DM course at PGY3 level. During residency in Neurology, the students will receive training in neurological examination, diagnostic and therapeutic approaches to common and rare, acute and chronic neurological disorders, under the direct supervision of neurology faculty. The residents are posted in different clinical units of neurology, outpatient and casualty services and also receive training in electrophysiology, neuroradiology, neuropathology, neurosurgery, clinical psychology, adult and child and adolescent psychiatry. They will also get opportunity to spend time in sub-specialities of neurology such as stroke, epilepsy, neuromuscular disorders, movement disorders, cognitive neurosciences and paediatric neurology. Academic assignments include clinical bedside presentations, journal clubs, seminars, etc. and research assignments include submission of a dissertation (which is required as a partial fulfilment for the award of DM degree). The residents are required to successfully pass DM-Part 2 examination held at mid- PGY4 level and DM Part-3 examination conducted at the end of PGY5. In addition, the post-MBBS candidates are required to complete one year of Senior Residency (PGY6) after DM-Part 3 examination to be eligible for the award of DM degree.
Awards	<ol style="list-style-type: none"> 1. Silver Jubilee award for the Best outgoing student in DM Neurology 2. Dr. Anisya Vasanth Memorial Award for the Best Post-Graduate Resident in Neurology
For more details, refer Department's information on NIMHANS Website or contact 080-26995140	

DM in Paediatric Neurology (Post MD / DNB Category)		
Department	Neurology	
Minimum requirements for admission	<i>Eligible Qualification</i>	MD in Pediatrics OR DNB in Pediatrics
	<i>Other Requirements</i>	Indian National Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'.
Course duration	03 years for Post MD/DNB (03 years as Senior Resident)	
Seats offered	<i>July Session</i>	02 seats under 'Institute Support'
		02 seats under 'Sponsored Category'
Program of Study	The DM course in Pediatric Neurology is designed to prepare specialists with comprehensive competence in clinical skills, training, research, and administration related to the identification, evaluation, treatment, rehabilitation, and prevention of neurological disorders in children. During the residency, students will undergo rotational postings within the pediatric neurology team as well as in adult neurology, electrophysiology, child and adolescent psychiatry, neuropathology, neurogenetics, and neonatal neurology. The academic program includes regular teaching activities such as subject seminars, journal clubs,	

DM in Paediatric Neurology (Post MD / DNB Category)

sessions on investigative procedures, basic sciences, and neuroradiology. Candidates are required to undertake a research project in the form of a thesis. The examination system consists of two parts: Part I (Basic Sciences), conducted midway through the course, and Part II, conducted at the end of the course, comprising three papers on diagnostics, therapeutics, and recent advances in pediatric neurology.

For more details, refer Department's information on NIMHANS Website or contact 080-26995140

DM in Neuropathology

Department		Neuropathology
Minimum requirements for admission	Eligible Qualification	MD in Pathology OR DNB in Pathology
	Other Requirements	Indian National Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'
Seats offered		01 seat under 'Institute Support'
		01 seat under 'Sponsored Category'
Program of Study		The students are trained in diagnostic, molecular and ultrastructural Neuropathology and are exposed to teaching and research activities. They also receive comprehensive training in related aspects of clinical and basic neurosciences. The students gain proficiency in diagnostic neuropathology by extensive exposure to large number of biopsies received for diagnosis. Participation in the clinic pathologic slide sessions and brain cutting conferences provides insight into clinical, radiological and therapeutic implications of diagnosis. Taking part in regular academic activities of the department augments their learning/teaching capabilities. The clinical autopsy rotations provide exposure and training in the techniques of brain removal, anatomy and evaluation of cause of death. The abundant surgical and autopsy material provides ample opportunity for research. The program is aimed at holistically nurturing the students to gain expertise in diagnostic neuropathology, to carry out research and imparting teaching, thus enhancing capacity building in the nation in the field of Neuropathology.

For more details, refer Department's information on NIMHANS Website or contact 080-26995140

DM in Addiction Psychiatry

Department		Psychiatry
Minimum requirements for admission	Eligible Qualification	MD in Psychiatry OR DNB in Psychiatry
	Other Requirements	Indian National Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'.
Seats offered		02 seats under 'Institute Support'
		02 seats under 'Sponsored Category'

Program of Study	The residents will undergo training in Addiction Psychiatry, which involves substance use disorders, behavioural addiction, dual diagnosis. As a part of the course, residents will have to work on a dissertation under supervision of the faculty in relevant field. The residents will be trained in clinical, research and policy related aspects of Addiction Psychiatry. They will also undergo training in substance use in special populations like children and adolescents. Training in branches intertwined with substance use including gastroenterology, neurology, neuroanaesthesia, family therapy, behaviour therapy and epidemiology is also extended. As a part of the training, the residents will be posted to AIIMS (New Delhi) and PGIMER (Chandigarh).
For more details, refer Department's information on NIMHANS Website or contact 080-26995250	

DM in Geriatric Psychiatry	
Department	Psychiatry
Eligible Qualification	MD in Psychiatry OR DNB in Psychiatry
Seats offered	02 seats under 'Institute Support'
Program of Study	This course provides three years training in Geriatric Psychiatry. The students will be trained in assessment and management (pharmacotherapy, psychotherapy and brain stimulation) of cognitive disorders and Other neuropsychiatric disorders in elderly. They will also be trained in research methodology essential for conducting studies in the geriatric population. They will also get training in Basic Sciences and Other clinical specialties related to Geriatric Psychiatry (Ex. Neurology, Neuropathology, Community Psychiatry and Geriatric Medicine).
For more details, refer Department's information on NIMHANS Website or contact 080-26995250	

DM in Forensic Psychiatry		
Department	Psychiatry	
Minimum requirements for admission	Eligible Qualification	MD in Psychiatry OR DNB in Psychiatry
	Other requirements	Indian National Applicants who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government or Institutions/Universities can apply under 'Sponsored Category'.
Seats offered	02 seats under 'Sponsored Category'.	
Program of Study	The DM in Forensic Psychiatry course is targeted to develop the candidate's clinical acumen and skills to enable them to function as experts in the field of forensic psychiatry. This training will equip the trainee with the skills in forensic aspects of mental health care, to pursue productive teaching, forensic psychiatry assessments, drafting reports, expert witness, and independent research and to lead research groups in forensic psychiatry and to participate in the development and execution of policies and programs related to forensic psychiatry and human rights. Candidates will receive training and education in administrative, civil, criminal, correctional, and legislative issues. The programme will also offer them opportunity to develop their specific interests in this area, including research, child forensic psychiatry, psychological and biological investigations in forensic cases and to learn how to work effectively in a team in forensic treatment settings. On completion of the course, the candidate should be able to deliver the	

	highest quality of forensic mental health care, advocate on mental health human rights, be a competent and inspiring teacher and be able to pursue and supervise both clinical and experimental research in the area of forensic psychiatry.
For more details, refer Department's information on NIMHANS Website or contact 080-26995250

Categories of Applicants

A. Classification based on Nationality

1. Indian Nationals
2. Foreign Nationals

1. Categorization of Indian Nationals:

i. Unreserved OR General Category:

All Indian National applicants including Overseas Citizen of India (OCI) except those under reserved categories (Other Backward Classes/Scheduled Caste/Scheduled Tribe) are considered under this category.

Overseas Citizen of India (OCI) applicants registered under Section 7A of Citizenship Act 1955 are eligible to apply under this category and all terms and conditions applicable for Indian National applicants will be applicable to such applicants. Such applicants will submit proof of Registration as OCI under Section 7A of Citizenship Act 1955 to be eligible to appear for Entrance Test.

ii. Other Backward Classes Category:

Indian Nationals belonging to **Non-Creamy Layer** of various communities as per the Gazette Notification issued by Government of India, from time to time, are considered under this category. For more information, kindly visit the following link to see the Central list of OBC: <http://www.ncbc.nic.in>

Candidates belonging to Non-Creamy Layer of various Caste/Communities designated as OBC, should be in possession of OBC Certificate (format enclosed) issued by the following Gazetted Officers, and the certificate should be uploaded in the Online Application Form:

- I. District Magistrate/Additional Magistrate/Collector/Deputy Commissioner/Additional Deputy Commissioner/Deputy Collector/1st Class Magistrate/Sub-Divisional Magistrate/ Taluka Magistrate/Executive Magistrate/Extra Assistant Commissioner (not below the rank of 1st Class Magistrate).
- II. Chief Presidency Magistrate/Additional Chief Presidency Magistrate/Presidency Magistrate.
- III. Revenue Officer not below the rank of Tehsildar and
- IV. Sub-Divisional Officer of the area, where the candidate and/or his or her family resides.

The candidates must upload/attach while filing the Online Application Form and produce a certified English Translation Copy of the Caste Certificate during the Counselling, if the Caste Certificate is in Regional Language.

iii. Scheduled Caste (SC)/Scheduled Tribe (ST) Categories:

Indian Nationals belonging to Scheduled Caste (SC) or Scheduled Tribe (ST) as per the Gazette Notification issued by various State Governments or Government of India from time to time, fall under this category.

Candidates belonging to SC or ST should be in possession of SC/ST Certificate issued by Gazetted Officers of various State Governments or Government of India and the SC/ST Certificate should be uploaded in the Online Application Form. The candidates must upload/attach/produce a certified English Translation Copy of the Caste Certificate, if the Caste Certificate issued is in Regional Language.

iv. Domicile Category

Indian Nationals having ‘domicile’ in any of the below mentioned states can apply for the following courses under this category by providing valid Domicile documents/certificate at the time of Online Application Form:

Domicile State/s*	Courses
Karnataka	Ph.D. in Clinical Psychology, Ph.D. in Psychiatric Social Work, MD in Psychiatry, Ayurveda Vachaspati (MD – Ayurveda) Manovigyan Evam Manasa Roga, Master’s Programs, M.Sc. courses, Fellowship in Child & Adolescent Psychology, Fellowship in Mental Health Education, Fellowship in Psychosocial Support in Disaster Management, MPH, Post Graduate Diploma in Clinical Biochemistry, Post Graduate Diploma in Medical Devices Technology
Arunachal Pradesh, Manipur, Meghalaya, Mizoram, Nagaland, Tripura, Chhattisgarh, Jammu & Kashmir, Sikkim, and Uttarakhand	MD in Psychiatry

To claim that candidates are residents/domiciles of the above-mentioned states, he/she should produce a certificate from the Tehsildar to the effect that he/she or his/her father/mother has been a resident of that state for a period of 07 years or has owned or possessed land or property or house in that state. Candidates submitting Domicile Certificate in any Other language than English need to provide a certified Translation of the Certificate at the time of the admission.

Applicants are further classified on the basis of Reserved Categories (Other Backward Classes/Scheduled Caste/Scheduled Tribe) under the ‘Domicile Category’ for the purpose of admission to MD in Psychiatry, M.Phil.

v. EWS Category:

Indian Nationals (Economically Weaker Section) who are not covered under the scheme of reservation for SC/ST/OBC and whose family gross annual income is below Rs.8 Lakh (Rupees eight lakh) are to be identified as EWS for benefit of reservation for EWS.

To claim that candidates should produce latest income certificate of their parents issued by Gazetted Officers of Government of India and the Certificate should be uploaded in the Online Application Form and the same should be submitted to Academic & Evaluation section on the day of admission.

vi. Persons with Benchmark Disability (PwBD) Category

5% of the seats are reserved for PwBD (between 40% to 70% disability) as per the Government of India regulations in all courses offered at NIMHANS except for:

1. All Super Specialty (DM Courses and M.Ch.) Courses.
2. All Postdoctoral Fellowship Courses.
3. M.Sc. in Psychiatric/Neuroscience Nursing Course.

No dedicated seats available for PwBD candidates. However, if the PwBD candidate qualifies in the Entrance Test 5% of the total sanctioned seat will be allotted to PWBD category for that course.

Age is relaxable by a maximum of 5 years in the case of PwBD candidates as on the date of commencement of concerned course. All provisions as per the PwBD Act 2016 are applicable.

The confirmed admission shall be given to candidate subject to fitness on medical examination duly constituted by Medical board involving the faculty from relevant discipline. Vacant seat, if any under PwBD in a course, shall be offered to the eligible candidate from the general/relevant category under the same course.

2. Foreign Nationals

All Foreign Nationals (holding passports of countries Other than India) and Non-Resident Indians (NRIs) should apply under "Foreign National" category.

The following points need to be kept in mind while applying for courses at NIMHANS:

- i. The respective authorized Indian bodies should recognize applicants' basic qualification. For example, UGC, NMC, RCI, INC and so on, as applicable.
- ii. Applicants should register their MBBS Degree in the Medical Council or respective equivalent bodies of their countries and will have to take prior permission from the National Medical Commission (NMC) before applying for Postgraduate Courses in the Institute. In the event of selection, the applicant/s have to apply for temporary registration with National Medical Commission (NMC) for the duration of postgraduate study.
- iii. Applicants selected to join course under 'Foreign Nationals' Category are not eligible for any emolument/financial benefits from NIMHANS. No other source of funding will be considered.
- iv. For obtaining temporary registration number, foreign students (who have qualified in the Entrance Test) having medical degrees should contact, The Secretary, National Medical Council (Formerly Medical Council of India), Pocket-14, Sector - 8, Dwarka Phase -I, New Delhi - 110 077.
- v. For instructions regarding the 'Sponsorship' of Foreign Nationals, kindly refer to 'Foreign Nationals' sub-section in 'Sponsored category' section under 'Classification based on source of Fellowship/Funding'.
- vi. Foreign Nationals are permitted to pursue Ph.D. Program only if they are sponsored from Governmental Organizations, recognized Universities, National Scholarships of any reputed/recognized organization. No Other source of funding will be considered. However, such applications will be considered at the discretion of the competent authority at NIMHANS for permitting them to appear for Entrance Test and /interview.

B. Categories based on nature of Fellowship / Financial Support:

I. Institute Support :

Applicants selected under this category are eligible for Institute Support (Emoluments) as specified under 'Emoluments' Section of this Prospectus.

Applicants applying under 'Unreserved or General Category, 'OBC Category', 'SC/ST Category' and 'Domicile Category- Karnataka Domicile /North Eastern Domicile Category', are considered under Institute Support.

II. Non-Institute Support:

Applicants selected under this category are not paid any emoluments/financial benefits by NIMHANS. These are classified under various sub-categories:

1. External Agency Support:

Applicants with Fellowships from Government funding Agencies like UGC, CSIR, ICMR, DBT, DST, AYUSH (specific reference to courses in Yoga and Ayurveda) (Junior Research Fellow / Senior Research Fellow only) and any Other Government Funding Agency.

The applicants applying under this category should be able to produce and submit the External Fellowship Award Letter from the concerned External Funding Agency at the time of verification of Certificates, if selected to join the Ph.D. Program.

Activation of Junior Research Fellowship/Senior Research Fellowship will be done only after joining Ph.D. Program at NIMHANS.

Cross over admission with regards to the applicant who has applied for a course under Institute Support will not be selected under External Fellowship Category for admission or vice versa also no crossover of categories during the admission process will be accepted by NIMHANS.

2. Supported by Research Projects (at NIMHANS):

Applicants working in different funded Projects at NIMHANS with a minimum of 2 Years 6 months of tenure from the date of commencement of Ph.D. Program in the concerned Session. They are eligible to apply for the Ph.D. Program for either Principal Investigator or Co-Investigator's Department only.

The Principal Investigator of the Project supporting the Ph.D. Scholar should have permanent employment at this Institute.

Applicants under NIMHANS Contract/ Adhoc shall have employment and financial support of a minimum of 3 years from the date of commencement of Ph.D. Program in the concerned Session.

At least one of the Investigators (Principal Investigator / Co-Investigator) of the Funded Project will serve as a main guide or co-guide. For academic-related administrative purposes the Ph.D. Scholar will be under the Main Guide's department in which the candidate is working.

A scholar who desires to conduct research in a subject which is multi-disciplinary in nature, should have co-guide (s) / Co-Guide (s) from the concerned discipline who have adequate expertise on the subject of the thesis.

- i. *The age of permanent employees of NIMHANS should not be more than 42 years. They are eligible to apply for Ph.D. course, in a subject related to their sphere of duties of the Government servant, which will be decided by the competent authority.*
- ii. *Permanent employees of NIMHANS can apply for Ph.D. in the various departments of this Institute with NOC from Competent Authority. However, such applications will be considered at the discretion of the Competent Authority at NIMHANS for permitting them to appear for Entrance Test and Interview.*

3. Sponsored/Deputed Category:

Indian Nationals / Foreign Nationals who are permanent employees sponsored/deputed by the State/Central Government or Public Sector undertakings of State/Central Government/Universities, are considered under this category for the purpose of admission to various courses.

System adopted for allotment of sponsored category seats for all PDF courses*:

- a. First preference to the Indian Nationals in selection.
 - b. Second preference to SAARC Nationals Other than India (Afghanistan, Bangladesh, Bhutan, the Maldives, Nepal, Pakistan and Sri Lanka) in selection.
 - c. Third preference to the Other foreign nationals in selection.
- * Should produce sponsorship letter from concerned MOHA along-with applications.

Applicants applying under this category, should keep the following points in mind while applying:

- a. Minimum requirements for admission to the courses will be the same as indicated for all the respective courses.
- b. The applicant should qualify in the Entrance test and /Interview, as indicated against the concerned course.
- c. The applicant should produce the sponsorship certificate in the prescribed format as provided in the Prospectus/ or from the concerned employer. **The course/s for which the applicant is being sponsored should be clearly specified in the sponsorship certificate by the sponsoring authority/employer.**
- d. The sponsorship letter from the employer has to be furnished by the applicant at the time of Online application form or admission. **The candidature of applicants failing to produce sponsorship / deputation letter at the time of admission will be treated as cancelled and not allowed for admission to the course.**
- e. Applicants applying under the above category are not eligible for any emoluments for the duration of course from NIMHANS.
- f. If any communication is received from Parent department/office/employer of a sponsored applicant withholding permission to appear for the entrance test/interview/admission to the course, the candidature/admission of such applicant/s will be cancelled, and no further correspondence in this regard will be entertained.
- g. Sponsorship for Foreign Nationals to pursue Ph.D. course is permitted only from Governmental Organizations, recognized Universities and National Scholarships of any reputed/recognized organization.
- h. Sponsored candidates from State Government/Government of India are not eligible for any financial benefits.

Employees of State or Central Government or of any Public Sector Undertaking of State or Central Government should send their applications through their employers. However, the advance copy of the application (complete in all respects) can be submitted. In case the application is not received through the employer, a No Objection Certificate from the employer should be produced before the date of the Entrance Test. In case, the candidate is selected, the sponsorship/ deputation letter from the employer should be produced at the time of interview/ admission failing which the candidate will not be admitted to the course.

Seat Matrix

- I. Reservation Roster prescribed by the Government of India will be followed for each course as applicable. If suitable candidates are not available under the reserved category (for the courses which NIMHANS conducts the Entrance Test only), the seats will be filled on the basis of merit under the same course as detailed below:

- (2) The duration of the test for each course will be 90 minutes.
- (3) Each correct answer carries 1 mark.
- (4) There will be negative marking and 0.25 marks will be deducted for each wrong answer.
- (5) No marks will be deducted for unanswered questions.

Announcement of Results and Pre-Admission Formalities for all courses Other than Ph.D.

- I. Selection will be based on merit in the Entrance Test.
- II. Reservation of seats will be as per Government of India Reservation Policy.
- III. If no eligible candidates are available against reserved seats, these shall be filled up from general merit category.
- IV. Separate merit lists for general and reserved categories will be prepared for each course based on the marks scored.
- V. In the case of two or more candidates obtaining equal marks in the Entrance test, their inter se merit will be determined as under:
 1. No. of Attempts in the qualifying exam.
 2. If no of attempts are the same candidates securing higher marks in the qualifying exam will be considered.
 3. If one candidate has a GPA and no Marks and the other candidate has Marks to use a standard Formula to equalise Marks and GPA . This formula is being used by other universities including IIT.

Formula:

Cumulative grade point average (CGPA) performance will be converted into 'marks percentage' as shown below:

$$\text{Marks Percentage} = 60 + \frac{40}{3.5} \times \left[\frac{\text{CGPA obtained}}{\text{Total CGPA}} \times 10 - 6.5 \right]$$

Note: *The above conversion is only for computing the academic rating (AR). While submitting the application online, applicants should fill in the actual marks percentage/CGPA as provided by her/his University/Institution/ College, as applicable. We will NOT accept any equivalence of conversion from CGPA to percentage marks provided by any individual universities/ institution/college; in this case, the final and binding method of conversion will be as provided above.*

4. If the above is equal then the Negative Marks in the entrance exam will be used.
 5. If 4 is also the same then Age will be the criteria.
- I. List of all the qualified candidates and those called for interview/admission will be notified on the Institute's website and notice board. No separate individual intimation will be given. Non-receipt of notice by any individual candidate will not vitiate the selection process having regard to publication of result as also schedule on the notice board and the website. The decision of the Director in all matters regarding selection will be final and no representation in any form will be entertained.
 - II. All the candidates who are selected for appearing before Selection Committee for Interview are required to qualify by obtaining a minimum of 50% marks to be eligible for admission to a Ph.D. course. Mere qualifying in Entrance test and interview does not entitle admission to a Ph.D. course. Selection is subject to availability of eligible guides in the respective departments.
 - III. All the candidates applying for Ph.D. Entrance Test shall clear the entrance test with minimum of 50% Marks to become eligible for Interview. Weightage will be given as 70% and 30% for entrance test marks and interview marks respectively.
 - IV. Preference of course if selected in multiple courses or willingness to join the course, should be provided by the candidate.

Announcement of Results and Pre-Admission Formalities for Ph.D. Courses

- I. **Eligibility for Interview: minimum 50% marks in the Entrance Test.**
- II. A merit list will be prepared for each course based on the marks scored in the entrance test and the list will be uploaded on the NIMHANS website.
- III. List of all the qualified candidates and those called for interview will be notified on the Institute's website. **No separate individual intimation will be given.**
- IV. The details of venue, date and time of interview will be uploaded on the NIMHANS website.
- V. Weightage for selection: 70% for entrance test, and 30% for interview.
- VI. Interview will focus on the candidate's area of research interest, proficiency in their subject and any research experience / presentations / publications.
- VII. Qualifying in the entrance test and interview does not entitle admission to a Ph.D. course. Selection is subject to availability of eligible guides in the respective departments.
- VIII. If a candidate is selected for multiple courses they should provide their course preference at the time of admission.
- IX. The decision of the Director in all matters regarding selection will be final and no representation in any form will be entertained.

Admission / Joining and Commencement of the Course

- I. A list of candidates who have qualified for admission will be announced on the website of the Institute in the order of merit.
- II. The details of venue, date and time of admission will be uploaded on the NIMHANS website.
- III. No form of representations on behalf of any candidate/s will be entertained on the day of admission. If a candidate does not attend the admission procedure on the designated day as per the schedule announced, they will be marked as absent and their candidature for the admission process will be cancelled.
- IV. Candidates are instructed to produce and submit the original certificates/documents for verification.
 1. A candidate should produce all necessary documentary proof of all claims made in the online application form.
 2. Tie-breaking exercise (wherever applicable) will be carried out during the admission process as per the Tie-breaking rules detailed in the method of selection section of this Prospectus.
 3. Candidates without proper documentation to support claims made in the online application Form, will be disqualified from the admission process.
- V. Candidates who have been selected under various categories should submit the appropriate original certificates/documents on the day of admission as shown under "**Certificates / Documents required for admission**" of this Prospectus.
- VI. The fee amount to be levied at the time of admission is provided under the 'Fees' section of this Prospectus. The fee has to be paid through Debit OR Credit Card / UPI / Net Banking. **No Other means of payment will be accepted.**
- VII. In case a candidate does not report on the day of admission, the seat of such candidate will be allotted to the wait listed candidate in the order of merit.
- VIII. Emoluments of the first month will be paid in the following month on completion of all the joining formalities including pending documents.

Course Joining and Discontinuation

- I. Any requests for extension in date of joining should be intimated to 'Academic & Evaluation Section' well in advance via email to 'admissions@nimhans.net'. Such requests are subject to the approval of the Competent Authority. A late joining fee of Rs. 100/- per day in addition to the fees as mentioned under 'Fees' Section of the Prospectus or as mentioned in Official Memorandum provided to the candidate, will be levied on the day of joining. However, students are required to serve the equal no of days after the course duration in order to make up the course requirements.
- II. The Penalty for discontinuation of course is as shown below*: -

Period at which resignation is tendered	Penalty for Medical courses [for candidates selected under Institute Support]	Penalty for Non-Medical courses [for candidates selected under Institute Support]
Less than 1 month	Rs. 3,00,000/- penalty	Rs. 40,000/- penalty
After 1 month but less than 6 months	Rs. 5,00,000/- penalty	Rs. 2,00,000/- penalty
Above 6 months	Rs. 7,00,000/- penalty	Rs. 2,00,000/- penalty

*Penalty clause shall apply immediately after the date of joining.

Candidates joining PG Courses will be required to furnish Course Agreement Bond regarding the above, the format of which will be shared after announcement of results.

Fees once paid will not be refunded at any cost. No emoluments / salary will be granted for the month in which the candidate discontinues the course.

**Admissions for courses through Institute of National Importance –
Combined Entrance Test (INI-CET) & Institute of National Importance-
Super-specialty Entrance Test (INI-SSET)**

Admission to MD Psychiatry, DM Neurology (Post MBBS Category), M.Ch. Neurosurgery (Post MBBS Category) is through the online entrance exam conducted by INI-CET.

Admission to DM Courses (Post MD/DNB Category) & M.Ch Neurosurgery (Post MS/DNB Category) is through the online entrance exam conducted by INI-SS.

For more details regarding INI-CET & INI-SS please visit the following website:
<https://www.aiimsexams.ac.in>

Additional Information

1. The rules and regulations in this prospectus are subject to change in accordance with the decision of the Institute from time-to-time.
2. All candidates applying for admission to a course at NIMHANS have to give the following declaration:
"I fulfil all the eligibility criteria and I am applying for the courses at NIMHANS. I understand that my candidature will be cancelled, if I am found to have given wrong information. I also substantiate my claim by attaching necessary certificates".
3. All courses are conducted on a full-time basis. Private practice in any form (in-person / online) is prohibited. Candidates are not permitted to undertake any part time or correspondence course that leads to the award of degree/diploma.
4. Any additional relevant academic courses during the period of study should be with the approval of the competent authority.
5. All candidates admitted to the Institute shall maintain good conduct, attend their classes and clinical services regularly and abide by the regulations of the Institute.
6. Selected candidates should submit Transfer Certificate (from the College/Institute where the last qualification is attained) and Migration Certificate (from the University to which the College/Institute is affiliated where the last qualification is attained) at the time of admission.
7. Junior and Senior Residents admitted to any course will be governed by the Residency scheme
8. Hostel accommodation will be provided subject to availability and is not guaranteed.
9. As per the Circular Ref. No. KMC C.R./2014 dated 18.01.2014 from Karnataka Medical Council, all candidates admitted to NIMHANS for various medical courses, must obtain the permanent registration certificate from the Karnataka Medical Council and submit it to AO (Academic & Evaluation Section). It is advisable to complete this process before the commencement of the course.
10. Cardiopulmonary Resuscitation (CPR) trained certificate should be submitted by all students at the time of admission or within 6 months of admission.
11. Selected candidates should produce a medical fitness certificate from a registered medical practitioner in the prescribed format.
12. The students should complete the entire duration of the course.
13. If a candidate joins late, they should compensate for the number of days lost after the completion

of the course duration. Similarly, if the course duration is extended due to any reason (eg. maternity leave, medical leave or any other kind of leave), financial emoluments/ financial benefits will not be provided during the extension period.

14. Students attending the extended period to make up the course requirements are required to pay a monthly tuition fee of Rs.5,000/-.
15. Candidates joining through INI-CET and INI-SSET are exempted from the above clause (XIV) and they will be paid emoluments for stipulated course duration from their date of joining.
16. Candidates joining for Ph.D. Program with external fellowship (JRF & SRF) at NIMHANS will be able to activate the fellowship only after joining the course.
17. Any candidate providing false information/ false certificate or withholding relevant information, shall be debarred from continuing the course and will face appropriate action initiated against them by the Institute.
18. All students have to mandatorily register on the www.amanmovement.org (OR) www.antiragging.in and sign the Anti-Ragging declaration and submit the completion certificate.
19. Student Well Being @ NIMHANS (SWAN) program is available on the NIMHANS website. All students are encouraged to go through the SWAN guide book and familiarize themselves with the facilities available.
20. Rules & Regulations of the Institute are subject to amendment based on directives received from the Government of India.
21. All students shall mandatorily follow scientific ethics and exhibit utmost academic integrity. Any scientific or academic misconduct including fabrication, falsification, forgery of any kind, plagiarism or violation of ethics in research or publication, may result in being debarred from the Institute and suitable disciplinary action will be initiated by the Institute authorities.
22. The decision of the Director of the Institute shall be final in all matters of selection of candidates for admission to the various courses and no appeal shall be entertained on this subject.
23. **All pending original documents should be submitted within fifteen days of course commencement.**
24. **Candidates (Junior Residents) selected will be provided accommodation as per rules and subject to availability. It is mandatory for Junior Residents to occupy the hostel.**

Student Programs

As a Policy, NIMHANS is committed to the cause of health, wellbeing and welfare of its student community and constantly strives to create all the necessary framework and systems in this direction. Various student wellbeing activities are in place at the Institute.

1. Kannada Language Learning Program

Kannada is one of the oldest Dravidian languages. It is the Karnataka state's official language. It is desirable that Non-Kannada speaking students make efforts to learn this language for better communication with patients and their family members.

The Kannada Cell and Department of Publication organize a three-month Kannada Language Learning Program in collaboration with the Department of Kannada & Culture, Government of Karnataka. Students are required to attend these sessions. As majority of the patients seen at NIMHANS speak Kannada, it is mandatory that students learn to comprehend and speak Kannada.

2. Orientation Program

An Orientation program is organized for all the newly admitted students in order to familiarize them with the various Departments and facilities under Basic, Behavioural and Neurosciences Divisions of NIMHANS.

3. Anti-Ragging Policy

NIMHANS being an Institute of National Importance has zero tolerance towards ragging and prohibits ragging in all forms. We are proud to state that our campus is ragging free and students are informed to abide by the rules and ensure a ragging free campus. As per the guidelines of UGC under section 26 (1)(g) of the University Grants Commission Act, 1956, which is modified as UGC Regulations, 2009, to curb the menace of ragging in Higher Educational Institutions, an Anti-Ragging Committee exists in NIMHANS. Details of the committee are available on the NIMHANS website.

4. Internal Complaints Committee

The Internal Complaints Committee is constituted in order to review issues concerning harassment of women at the workplace. This committee functions as per the guidelines of the Sexual Harassment at Workplace (prevention, prohibition and redressal) Act 2013. Details of the committee are available on the NIMHANS website.

5. Hostels

Name of the Wardens	Designation
Dr. Monojit Debnath	Chief warden, All Hostels
Dr. Ashwin Y B	Deputy warden, Vedavathi hostel
Dr. Dhritiman Chakrabarti	Deputy warden, Bhima Hostel
